Presentations:

Second Market Rate Housing Project – BETP – R. Fancher provided an overview of their project on Lot #2, which includes 30 apartments. There will be three 8-unit apartment buildings, as well as a mixed-use building with 6 apartments and 6,000 square feet of retail space, which is currently designed for 3 retail tenants on the first floor. There is potential for the project to expand in two additional phases. This is dependent upon the success of the previous phase. Each project will have 20 or more units.

R. Fancher left the meeting at 1:50 p.m.

E. Biscaro joined the meeting at 1:50 p.m.

Market Rate Housing Project – Town of LeRoy (Biscaro) – E. Biscaro gave an overview of their project, which is a non-subsidized apartment complex in LeRoy. It will look like Clinton Crossings in Batavia. There is potential to build as many as 60 apartments, but the apartments will be built in 20-unit phases.
