**4.0 Audit & Finance Committee – M. Gray**

M. Gray reported that the Audit & Finance Committee reviewed the Charter at their meeting earlier this week and they will be working on doing a self-assessment of their performance which will be reported to the Governance Committee once completed.

**4.1 April 2018 Financial Statements-** The April 2018 financial statements were reviewed with the Committee. A brief overview was given; it was noted that restricted cash decreased due to STAMP expenses being paid using the ESD imprest account funds. This caused accounts payable to decrease as well. All expenditures are in line with the budget, except as noted. This is recommended for approval by the Committee.

**M. Gray made a motion to approve the April 2018 Financial Statements; the motion was seconded by T. Bender. Roll call resulted as follows:**

**4.2 GCEDC Economic Development Strategy Assessment / Economic Analysis – Rockefeller**

**Institute for Government Proposal –** M. Gray shared that the Audit & Finance Committee reviewed a proposal from Rockefeller Institute for Government (RIG) to perform a strategic assessment and economic analysis summarizing the Agency’s efforts to date and develop a roadmap based on effective strategies identified in economic development literature and case studies of efforts in Upstate New York and other regions across the Northeast with successful revitalizations.

The total cost of the multi-phase study is \$50K. Phase I, the current proposal is \$30K. National Grid has indicated strong interest in providing matching funds (up to \$25K) supporting this strategic analysis subject to the submission of a grant application. L. Farrell indicates savings is being experienced in the

professional services/government relations budget line related to the GCEDC budget which could be utilized, if the GCEDC board concurs, as the matching funds to support this undertaking (up to \$25K).

S. Hyde asked the Committee to consider approving a multi-phase investment (not to exceed \$25K) to RIG to undertake the proposed subject to National Grid grant approval for matching funds. Initially, we would only contract to the Phase 1 level (\$30K proposal in total) following National Grid matching grant approval. We will review and discuss the Phase 1 research findings with the Board prior to contracting for any Phase 2 research. Phase 2 would potentially be funded by the GCEDC, City of Batavia along with National Grid matching grant funds. This phase would focus more on the mall/City Centre redevelopment.

**M. Gray made a motion to approve an appropriation of \$25K of the GCEDC budget to this study, and a \$30K contract with Research Institute for Government for Phase 1, contingent upon approval of a 50/50 matching National Grid grant to the full Board as presented; the motion was seconded by A. Young. Roll call resulted as follows:**
