

Authority Self-Evaluation of Prior Year Performance

Local Public Authority Name: Genesee Gateway Local Development Corporation (GGLDC)

2014 Measurements:

1. Work with the Town of Batavia to secure grant opportunities to extend existing infrastructure along new roadway at Ag Park (Ag Park Phase II enablement).
2. Actively maintain and enhance other shovel-ready and high-tech commercialization assets owned by GGLDC in Genesee County.
3. Support the GCEDC economic development and selling process helping to facilitate capital investment and job creation commitments and tax base enhancement in the community.

2014 Budgeted goals versus actual results:

1. Secured a National Grid grant for the extension of the electric transmission service lines along the new roadway. The GGLDC is also working on repurposing an existing grant to include the extension of municipal water along the new roadway as well.
2. In 2014, the GGLDC continued to actively market and promote all of its shovel-ready and high-tech commercialization assets, while performing normal maintenance such as mowing, cleaning and sign care. The GGLDC is also constantly reviewing the industry requirements of companies to ensure that our corporate business parks have the necessary infrastructure to be competitive and meet those potential companies' needs.
3. Supported the GCEDC economic development and selling processes, helping to facilitate capital investment and job creation commitments and tax base enhancement in the community.
