WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance (as defined below) that the Agency is contemplating with respect to the Project; and

WHEREAS, the Company has represented in its Application that the Project is located in a "highly distressed area" (as such term is defined in Section 854(18) of the Act, a "Highly Distressed Area"); and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or a commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one

area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) Pursuant to Section 862 of the Act, the Project constitutes a "retail project" and based on representations made by the Company to the Agency, a resolution of the Village of Corfu, New York (the "Village") and a resolution of the Town of Pembroke, New York (the "Town"), the Agency hereby finds (1) that the Project is located in a Highly Distressed Area, (2) that the predominant purpose of Project is to make available a full-service grocery store to provide nutritious fresh produce and other full-service grocery items which would not, but for the Project, be reasonably accessible to the residents of the communities within which the Project is located, including but not limited to, the Village and surrounding areas in the Town, because there is a lack of reasonably accessible providers of nutritious fresh produce and other full-service grocery items in said communities and (3) that the undertaking of the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and/or increasing the overall number of permanent, private sector jobs in the State of New York.

Section 2. The Agency is hereby authorized to conduct a public hearing in compliance with the Act.

Section 3. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 4. These Resolutions shall take effect immediately.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:
