WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 565 of the Laws of 1972 of the State of New York, as amended (hereinafter collectively called the "Act"), the **GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER** (the "Agency") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping civic, industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, **MANNING-SQUIRES-HENNING CO., INC.**, for itself or on behalf of an entity to be formed by it or on its behalf (the "Company") has submitted an application (the "Application") to the Agency, a copy of which is on file with the Agency, requesting the Agency's assistance with respect to a certain project (the "Project") at the Company's existing facility located at 8426 Seven Springs Road, Town of Batavia, Genesee County, New York (the "Facility"), consisting of the acquisition of various pieces of construction equipment and/or rolling stock, including but not limited to the purchase of two (2) pieces of Lull construction equipment and one (1) boom lift (the "Equipment"), all to be used in, and to maintain the competitive position of, the Company's construction business; and

WHEREAS, pursuant to Article 18-A of the Act the Agency desires to adopt a resolution

describing the Project and the Financial Assistance (as defined below) that the Agency is contemplating with respect to the Project; and

WHEREAS, it is contemplated that the Agency will (i) designate the Company as its agent for the purpose of undertaking the Project, (ii) negotiate and enter into an agent, financial assistance and project agreement (the "Agent Agreement") and related documents, and (iii) provide financial assistance (the "Financial Assistance") to the Company in the form of a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction, renovation and equipping of the Project; and

WHEREAS, pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto at 6 N.Y.C.R.R. WHEREAS, the Financial Assistance provided by the Agency to the Company shall not exceed \$100,000 and, therefore, a public hearing is not required to be held by the Agency; and

WHEREAS, the Agent Agreement and related documents have been negotiated and are presented to this meeting for approval and execution.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of undertaking the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area

of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) The Project involves an "Unlisted Action" (as such term is defined under SEQRA by 6 NYCRR §617.2(ak)). The Agency is acting as Lead Agency pursuant to SEQRA and conducting an Uncoordinated Review pursuant to 6 NYCRR §617.6 Based upon a thorough and comprehensive review by the Agency of the Application, the Short Environmental Assessment Form and related documents delivered by the Company to the Agency, as well as other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that the Project will result in no potential significant adverse environmental impacts requiring the preparation of an environmental impact statement for the action. Thus, the Agency issues a Negative Declaration for the action pursuant to 6 NYCRR 617.7 and determines that that all of the provisions of SEQRA that are required to be complied with as a condition precedent to the approval of the Financial Assistance contemplated by the Agency with respect to the Project have been satisfied.

Section 2. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$450,000.00**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$36,000.00**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use

tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 3. Subject to the Company executing the Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; *provided, however*, the Agent Agreement shall expire on **March 31, 2018** (*unless extended for good cause by the President/CEO of the Agency*).

Section 4. The Financial Assistance provided by the Agency to the Company shall not exceed \$100,000 and, therefore, a public hearing is not required to be held by the Agency.

Section 5. The Chairman, Vice Chairman, President/CEO and/or the Senior Vice President of Operations of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute the Agent Agreement, a NYS Form ST-60, "IDA Appointment of Project Operator or Agent", a bill of sale (the "Bill of Sale") and related documents.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. These Resolutions shall take effect immediately.
