Revolving Loan Fund #2

Purpose: Generally a conventional loan fund offering “friendly debt vis a’ vis friendly interest rates and terms” to established business enterprises seeking “gap” financing in support of business expansion, retention or attraction investments. Exceptions will be considered on a case by case basis related to strategic business or industry opportunities.

Funding: RLF #2 was established with funds that Genesee County received in 2003 from a \$650,000 New York Governor’s Office for Small Cities grant. Under an agreement with Genesee County, GCEDC was authorized to administer the loan fund for the purpose of lending funds to eligible business firms in Genesee County that will create or retain employment. An amended agreement was entered into with Genesee County in 2012 restricting the GCEDC’s use of the related funds to necessary administrative costs as part of the defederalization process. Future loan requests will be submitted to the County for approval and funds will be redirected to the Genesee Gateway Local Development Corporation for loan disbursement.
