3. Discussions / Official Recommendations to the Board:

3a. SEQR Resolution – In the SEQR resolution, which was included with the meeting materials, was the timeline and record of previous action taken on SEQR by the GCEDC as Lead Agency. The resolution also describes the scope of the items analyzed under this SEQR review.

M. Fitzgerald stated that at a high level this SEQR covers 1) the Edwards Vacuum project, 2) the Scannell Properties project and 3) infrastructure updates. It also responds to the concerns by the Nation and DEC. The GCEDC has taken a hard look at the impacts and can recommend a negative declaration consistent of findings with the EIS.

Having considered the Environmental Information, STAMP Environmental Record, and having considered the relevant environmental impacts, associated with the Current Proposed STAMP Development, and having weighed and balanced the relevant impacts with social, economic and other considerations, the Agency recertifies that:

(i) The requirements of 6 N.Y.C.R.R. Part 617 have been met; and

(ii) Consistent with the social, economic and other essential considerations from among the reasonable alternatives available, the Project remains one which avoids or minimizes adverse environmental effects to the maximum extent practicable, and that adverse environmental impacts will be avoided or minimized to the maximum extent practicable by incorporating as conditions to the decision those mitigative measures which were identified as practicable.

Fund commitment: None.

Committee action request: Recommend to the full Board that the Agency adopt by a majority vote the Negative Declaration (as defined in 6 N.Y.C.R.R. 617.2(y)), and is issued by the Agency pursuant to and in accordance with SEQRA, shall take effect immediately.
