  - b. Extension of sewer line along new access road.
  - c. Extension of electric, including utility poles, along new access road.
  - d. See a budget modification from existing EDA grant to enable some of the infrastructure extensions reflected above.
  
2. Actively maintain and enhance other shovel-ready and high-tech commercialization assets owned by GGLDC in Genesee County.
  
3. Support the GCEDC economic development and selling process helping to facilitate capital investment and job creation commitments and tax base enhancement in the community.

### **2015 Budgeted goals versus actual results:**

1. Advance Ag Park Phase II development via infrastructure enhancements:
  - a. Extension of water line along new access road. **Did not complete in 2015, however applied for a Consolidated Funding Award to help cover the cost of this utility extension, expect to hear on awarding of this in December 2015.**
  - b. Extension of sewer line along new access road. **Did not complete in 2015, however applied for a Consolidated Funding Award to help cover the cost of this utility extension, expect to hear on awarding of this in December 2015.**
  - c. Extension of electric, including utility poles, along new access road. **National Grid completed the extension of the utility poles along the new access road.**
  - d. Seek a budget modification from existing EDA grant to enable some of the infrastructure extensions reflected above. **EDA denied the budget modification.**
  
1. In 2015, the GGLDC continued to actively market and promote all of its shovel-ready and high-tech commercialization assets, while performing normal maintenance such as mowing, cleaning and sign care. The GGLDC is also constantly reviewing the industry requirements of companies to ensure that our corporate business parks have the necessary infrastructure to be competitive and meet those potential companies' needs.
  
2. Supported the GCEDC economic development and selling processes, helping to facilitate capital investment and job creation commitments and tax base enhancement in the community.
