3.0 Report of Management

C. Yunker stated that he is a partner of CY Properties. CY Properties is under contract with Excelsior Solar. He stated that there is no direct conflict but to avoid the appearance of a conflict he will recuse himself from potential discussions regarding Excelsior Solar. C. Yunker left the meeting at 4:49 p.m.

3.1 Excelsior Solar – Initial Resolution – We have received the initial application for IDA incentives from the Excelsior Energy Center LLC, a wholly owned, indirect subsidiary of NextEra Energy Inc. for IDA benefits as it relates to the 280MW Utility Scale Solar Excelsior Energy Center project to be constructed and located on some 1,616 acres (fenced area) in the Town of Byron, Genesee County.
This significant scale renewable energy (solar generation/storage) project, with a total capital investment noted of approximately $345.55M, is seeking to implement a series of tax agreements utilizing an IDA PILOT and Host benefit agreement structure as suggested by NYSERDA guidance with a negotiated tax payment rate of $6,500/MW with a 2% annual escalator.

Further information as it relates to the project including details as it relates to the estimated $32,786,600 in incentives offered over the 20-year project horizon along with the economic impact analysis will be shared in advance of the board’s final consideration to induce benefits to the project including a PILOT, Sales and potentially a Mortgage Tax Exemption. Final inducement will occur once the Article 10 process affirmatively issues a certificate of environmental compatibility and public need from the New York State Board on electric Generation Siting and the Environment in lieu of negative declaration required via the SEQRA process.

Resolution No. 03/2021 - 01

RESOLUTION OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (THE "AGENCY") (i) ACCEPTING AN APPLICATION WITH RESPECT TO A CERTAIN PROJECT, (ii) AUTHORIZING A PUBLIC HEARING WITH RESPECT TO THE PROJECT AND (iii) DESCRIBING THE FORMS OF FINANCIAL ASSISTANCE BEING CONTEMPLATED BY THE AGENCY WITH RESPECT TO THE PROJECT.

A. Vanderhoof made a motion to accept initial resolution #03/2021-01, accepting the application from Excelsior Solar and authorizing the scheduling of a public hearing; the motion was seconded by P. Battaglia. Roll call resulted as follows:

P. Battaglia - Yes
T. Bender - Yes
M. Clattenburg - Yes

The item was approved as presented.

C. Yunker rejoined the meeting at 4:55 p.m.

3.2 SL Pembroke, LLC #1 - Final Resolution - The company is planning a community solar farm project in the town of Pembroke. The project is a 4MW AC solar generation system that will be interconnected with National Grid.

The project will provide enhanced property tax payments via a 15-year PILOT that are significantly greater than the current agricultural-vacant land value of the project. The project will contribute $5,500/MWAC + a 2% annual escalator, with the 4 MW AC solar farm generating in excess of $380,000 in PILOT payments over the 15-year term. The project will also fund a community benefit agreement for workforce development and economic development projects in Genesee County.
The project is aligned with New York’s aggressive goals for renewable energy, energy efficiency and greenhouse gas reductions, and offer customers a 10% discount vs average market rates for the generated power.

In addition to these benefits, the project is supporting the continued viability of the agricultural economy in Genesee County.

A virtual public hearing regarding the proposed incentives for the project was held on Monday, March 22, 2021. No written or oral comments were received.

See the Statement of Compliance of Project Criteria Listed in the Uniform Tax Exemption Policy (UTEP), attached to the minutes for additional Project details.

3.3 SL Pembroke, LLC #2 - Final Resolution - The company is planning a community solar farm project in the town of Pembroke. The project is a 5MW AC solar generation system that will be interconnected with National Grid.

The project will provide enhanced property tax payments via a 15-year PILOT that are significantly greater than the current agricultural-vacant land value of the project. The project will contribute $5,500/MWAC + a 2% annual escalator, with the 5 MWAC solar farm generating in excess of $475,000 in PILOT payments over the 15-year term. The project will also fund a community benefit agreement for workforce development and economic development projects in Genesee County.
The project is aligned with New York's aggressive goals for renewable energy, energy efficiency and greenhouse gas reductions, and offer customers a 10% discount vs average market rates for the generated power.

In addition to these benefits, the project is supporting the continued viability of the agricultural economy in Genesee County.

A virtual public hearing regarding the proposed incentives for the project was held on Monday, March 22, 2021. No written or oral comments were received.

M. Gray - Yes

The item was approved as presented.

3.4 Plug Power Inc. – Final Resolution - The company is proposing a $232 million project at the Western New York Science & Technology Advanced Manufacturing Park in the town of Alabama.

The operation will produce green hydrogen using an electrolysis process of water utilizing clean hydropower. The production facility will produce approximately 45 metric tons of liquid hydrogen that produces no pollution and creates essentially no waste. The hydrogen is sold to customers to replace fossil fuels in on-road applications such as heavy-duty freight and forklifts.

In addition, the company is investing $55,000,000 for the electric 345/115 KV substation in partnership with NYPA/National Grid, which will enable future tenants' access to this 100% renewable energy power source.
The project anticipates adding 68 full-time jobs at an average salary of around $70,000 plus benefits.

A public hearing regarding the proposed incentives for the project was held on Monday, March 22, 2021. Concerns cited by Dave Bencic at the public hearing included: 1) the financial stability of Plug Power 2) the project's use of state/federal/county tax money and 3) the Town's exposure should Plug Power fail. John Volpe, Vice President of Save Our Environment Limited, in a letter dated March 25, 2021 stated opposition to the project due to safety and environmental issues created by hydrogen plants.

See the Statement of Compliance of Project Criteria Listed in the Uniform Tax Exemption Policy (UTEPI), attached to the minutes for additional Project details.

The item was approved as presented.

3.5 Batavia Special Needs Apartments – Initial Resolution - Batavia Special Needs Apartments, L.P., is proposing a $3.75 million expansion project in the City of Batavia. The applicant currently owns and operates a 42 unit building of special needs housing, and will construct an additional 20 units for a total of 62 units. The addition will be comprised of two floors with a central elevator, which the existing building lacks, and laundry services and computer lounges will be available on each floor.

The company received assistance through the GCEDC for its original construction in the form of a 30-year PILOT approved March 1, 2009. DePaul seeks to amend the existing PILOT to account for the additional 20 units at the existing per unit PILOT rate. The additional units would be added to the existing PILOT schedule when they are placed in service, which is estimated to commence as of the due date for the April 1, 2023 City PILOT payment. The total annual PILOT payments would increase by
approximately $6,000 for the additional 20 units over the remainder of the additional PILOT. In addition, a sales tax exemption has been requested for the construction of the expansion.

4.0 Audit & Finance Committee

4.1 12/31/20 Audit - David Brownell of Mostert, Manzanero & Scott, LLP reviewed the audit with the Audit and Finance Committee. The management letter states that no material weaknesses in internal controls were identified during the audit. It is their opinion that the audited financial statements present fairly, in all material respects, the financial position of the GCEDC as of December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

This was recommended for approval by the Committee.

M. Gray made a motion to approve the 12/31/2020 Audit; the motion was seconded by P. Battaglia. Roll call resulted as follows:

5.1 Nothing at this time.

6.0 STAMP Committee – P. Zeliff
6.1 Award of Contract for Force Main Part A & Part B – A total of two (2) bids were received for Contract A: Central Area, which consists of installing 15,500 LF of 20-inch force main via directional drilling method, along NYS Route 63 through the U.S. Fish and Wildlife Service Refuge. Due to regulatory agency requirements, this contract has very restrictive timelines. The work must be substantially complete within 70 days. No work may take place within the Refuge between April 1 and July 15. Work may only take place between Oak Orchard Creek and Fletcher Chapel Road (5,900 LF in Contract A) between August 15 and October 31.

The low bid for Contract A: Central Area was submitted by G. DeVincenitis & Son Construction Co., Inc. of Binghamton, New York in the amount of $9,777,000. We have reviewed their qualifications and have discussed their bid in detail. We feel the bid received is a true representation of the costs to complete this project and that the contractor is qualified to complete the contract.

A total of six (6) bids were received for Contract B: North Area, which consists of installing 18,300 LF of 18-inch and 20-inch force main via open cut (14,400 LF) and directional drilling (3,900 LF) methods, along NYS Route 63, from the northern Refuge boundary to the Oak Orchard discharge location north of Shelby Center. Due to regulatory agency requirements, this contract has restrictive timelines. The work must be substantially complete within 180 days. Work may only take place between Oak Orchard Creek and Fletcher Chapel Road (1,800 LF in Contract B) between August 15 and October 31.

The low bid for Contract B: North Area was submitted by Highlander Construction, Inc. of Memphis, New York in the amount of $5,193,445.00. We have reviewed their qualifications and have discussed their bid in detail. We feel the bid received is a true representation of the costs to complete this project and that the contractor is qualified to complete the contract.

Fund commitment: Not to exceed $9,777,000 covered under the $33 million.

This was recommended for approval by the Committee.

P. Zeliff made a motion to table Contract B until the May meeting and accept the bid received from G. DeVincenitis & Son Construction Co., Inc not to exceed $9,777,000 for Contract A, contingent upon 1) contract approval from NYS Empire State Development, and 2) engineering approval of the subcontractor for Contract A; the motion was seconded by C. STATEMENT OF COMPLIANCE OF PROJECT CRITERIA LISTED IN UNIFORM TAX EXEMPTION POLICY (UTEPI)

PROJECT DESCRIPTION:

The company is planning a community solar farm project in the Town of Elba. The project is a 5 (AC) MW solar generation system that will be interconnected with National Grid.

The project will provide enhanced property tax payments via a 15-year PILOT that are significantly greater than the current agricultural-vacant land value of the project. The project will contribute $6,000/MWAC + a 2% annual escalator, with the 5 MWAC solar farm generating in excess of $518,000 in PILOT payments over the 15-year term. The project will also fund a community benefit agreement for workforce development and economic development projects in Genesee County.

The project is aligned with New York’s aggressive goals for renewable energy, energy efficiency and greenhouse gas reductions, and offer customers a 10% discount vs average market rates for the generated power.

In addition to these benefits, the project supporting the continued viability of the agricultural economy in Genesee County.

Criteria #1 – The Project pledges to create and/or retain quality, good paying jobs in Genesee County.

Project details: n/a

Board Discussion:

Board Concurrence: YES  NO  If no, state justification:

Criteria #2: Completion of the Project will enhance the long-term tax base and/or make a significant capital investment.

Project details: The project will enhance long term tax base with a planned new community solar farm and $9,757,040 in capital investment. A fixed 15-year pilot with a 2% annual escalator priced at $6,000/MWAC is proposed which is above the top end of the NYSERDA recommended range for projects located in National Grid territory in Western NY. The 5 MW solar farm will generate in excess of $518,000 in PILOT payments over the 15-year term which is far greater than current assessed value of this Ag/Vacant land.

Board Discussion:

Board Concurrence: YES  NO  If no, state justification:
**Criteria #3:** The Project will contribute towards creating a “livable community” by providing a valuable product or service that is underserved in Genesee County.

**Project details:** The company is assisting with a $25,000 payment for STEM oriented workforce training/county economic development programming to support STEM 2 STAMP workforce development programs/local economic development programming. Residents will be offered a 10% discount to average local market rates for solar energy.

**Board Discussion:**

**Board Concurrency: YES NO If no, state justification:**

**Criteria #4:** The Board will review the Agency’s Fiscal and Economic Impact analysis of the Project to determine if the Project will have a meaningful and positive impact on Genesee County. This calculation will include the estimated value of any tax exemptions to be provided along with the estimated additional sources of revenue for municipalities and school districts that the proposed project may provide.

**Project details:** This solar project is generating an increase to the tax revenue of $496,433 (both PILOT and Real Property taxes). This calculates to a rate of return based on the original property taxes additional $6.31 for every previous $1. Directly supports NYS Energy Policy (REV) alignment: NYS has aggressive goals for renewable energy, energy efficiency and greenhouse gas reduction by 2030, this project supports those goals.

**Board Discussion:**

**Board Concurrency: YES NO If no, state justification:**

**Criteria #5:** The Project is included in one of the Agency’s strategic industries: Agri-Business and Food Processing, Manufacturing, Advanced Manufacturing and Nano-Enabled Manufacturing, Life Sciences and Medical Device.

**Project details:** The company is a “downstream” developer/installer of Photovoltaic (solar) energy generation systems which is a target industry cluster / strategic industry focused on by the Agency to attract Photovoltaic (solar) manufacturing at STAMP.

**Board Discussion:**

**Board Concurrency: YES NO If no, state justification:**

**Criteria #6:** The Project will give a reasonable estimated timeline for the completion of the proposed project.

**Project details:** The project is planning to begin construction in Spring of 2021 and be operational by end of 2021.

**Board Discussion:**

**Board Concurrency: YES NO If no, state justification:**
FINAL RESOLUTION
(ForeFront Power, LLC Project)

A regular meeting of the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center was convened on Thursday, May 6, 2021.

The following resolution was duly offered and seconded, to wit:

Resolution No. 05/2021 -

RESOLUTION OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (THE "AGENCY") (i) ACKNOWLEDGING THE PUBLIC HEARING HELD BY THE AGENCY ON MARCH 22, 2021, WITH RESPECT TO THE FOREFRONT POWER, LLC (THE "COMPANY") PROJECT (THE "PROJECT"); (ii) MAKING A DETERMINATION WITH RESPECT TO THE PROJECT PURSUANT TO SEQRA (AS DEFINED BELOW); (iii) APPOINTING THE COMPANY AS AGENT OF THE AGENCY; (iv) AUTHORIZING FINANCIAL ASSISTANCE TO THE COMPANY IN THE FORM OF (A) A SALES AND USE TAX EXEMPTION FOR PURCHASES AND RENTALS RELATED TO THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, RENOVATION AND EQUIPPING OF THE PROJECT AND (B) A PARTIAL REAL PROPERTY TAX ABATEMENT STRUCTURED THROUGH A TAX AGREEMENT; AND (v) AUTHORIZING THE NEGOTIATION, EXECUTION AND DELIVERY OF A PROJECT AGREEMENT, LEASE AGREEMENT, LEASEBACK AGREEMENT, TAX AGREEMENT, AND RELATED DOCUMENTS WITH RESPECT TO THE PROJECT.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "State"), as amended, and Chapter 565 of the Laws of 1970 of the State of New York, as amended (hereinafter collectively called the "Act"), the GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (the "Agency") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, FOREFRONT POWER, LLC, for itself or on behalf of an entity formed or to be formed by it or on its behalf (the "Company") has submitted an application (the "Application") to the Agency, a copy of which is on file with the Agency, requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (i) the acquisition by the Agency of a leasehold interest in certain real property located at 6982 Norton Road in the Town of Elba, New York (the "Land", being more particularly described as a portion of tax parcel No. 9-1-39.111, as may be subdivided); (ii) the planning, design, construction and operation of a 5MWac PV solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing,
security and related improvements (collectively, the "Improvements"); (iii) the acquisition of and installation in and around the Land and Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the "Equipment" and, collectively with, the Land and the Improvements, the "Facility"); and

WHEREAS, pursuant to Article 18-A of the Act the Agency desires to adopt a resolution approving the Project and the Financial Assistance (as defined below) that the Agency is contemplating with respect to the Project; and

WHEREAS, it is contemplated that the Agency will (i) designate the Company as agent of the Agency for the purpose of undertaking the Project pursuant to a project agreement (the "Project Agreement"), (ii) negotiate and enter into a lease agreement (the "Lease Agreement"), a leaseback agreement (the "Leaseback Agreement"), a tax agreement (the "Tax Agreement") and related documents with the Company, (iii) take or retain title to or a leasehold interest in the Land, Improvements, Equipment and personal property constituting the Project (once the Lease Agreement, the Leaseback Agreement and the Tax Agreement have been negotiated), and (iv) provide financial assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction and equipping of the Project and (b) a partial real property tax abatement structured through the Tax Agreement (collectively, the "Financial Assistance"); and

WHEREAS, on March 4, 2021, the Agency adopted a resolution (the "Initial Resolution") accepting the Application and directing that a public hearing be held; and

WHEREAS, pursuant to Section 859-a of the Act, on Monday, March 22, 2021, at 10:00 a.m., local time, the Agency held a public hearing with respect to the Project and the proposed Financial Assistance being contemplated by the Agency (the "Public Hearing"), whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views; a copy of the Notice of Public Hearing published in The Batavia Daily News, the affidavit of publication of such newspaper, and Minutes of the Public Hearing are attached hereto as Exhibit A; and

WHEREAS, pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto at 6 N.Y.C.R.R. Part 617, as amended (collectively referred to as "SEQRA"), the Agency must satisfy the applicable requirements set forth in SEQRA, as necessary, prior to making a final determination whether to undertake the Project; and

WHEREAS, the Town of Elba Planning Board (the "Planning Board"), acting as "lead agency" (as such term is defined under SEQRA), undertook a "coordinated review" (as such term is defined under SEQRA) of the Project, determined that the Project was a "Type 1 Action" (as such term is defined under SEQRA) and on April 15, 2021, issued a "negative declaration" (as such term is defined under SEQRA) with respect to the Project (the "Negative Declaration"); and

WHEREAS, the Project Agreement, the Lease Agreement, the Leaseback Agreement, the Tax Agreement and related documents will be negotiated and presented to the President/CEO.
Chair, Vice Chair and/or Senior Vice President of Operations of the Agency for approval and execution subject to adoption of the resolutions contained herein.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) The Town of Elba Planning Board (the "Planning Board") has conducted a review of the Project pursuant to Article 8 of the Environmental Conservation Law and 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"). The Planning Board issued a Negative Declaration on April 15, 2021 (the "Negative Declaration"), determining that the Project does not pose a potential significant adverse environmental impact. The Agency, having reviewed the materials presented by the Company, including, but not limited to, the Full Environmental Assessment Form and the Negative Declaration, further determines that the Project does not pose a potential significant adverse environmental impact and thus ratifies the Negative Declaration previously issued by the Planning Board pursuant to 6 N.Y.C.R.R. § 617.7. A copy of the Negative Declaration issued by the Planning Board is attached hereto as Exhibit B.
Section 2. The Public Hearing held by the Agency on March 22, 2021, concerning the Project and the Financial Assistance was duly held in accordance with the Act, including but not limited to the giving of at least ten (10) days published notice of the Public Hearing (such notice also being provided to the Chief Executive Officer of each affected tax jurisdiction), affording interested parties a reasonable opportunity, both orally and in writing, to present their views with respect to the Project.

Section 3. The Agency is hereby authorized to provide to the Company the Financial Assistance in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction, renovation and equipping of the Project and (b) a partial real property tax abatement structured through the Tax Agreement.

Section 4. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to State and local sales and use tax in an amount up to $9,757,040 which result in State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed $780,563. The Agency agrees to consider any requests by the Company for an increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 5. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any Sales and Use Tax Exemption Benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 6. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as
the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project: (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses: and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Project Agreement shall expire on April 30, 2022 (unless extended for good cause by the President/CEO of the Agency) if the Lease Agreement, the Leaseback Agreement and the Tax Agreement contemplated have not been executed and delivered.

Section 7. The President/CEO, Chair. Vice Chair and/or Senior Vice President of Operations of the Agency are hereby authorized, on behalf of the Agency, to negotiate and enter into (A) the Project Agreement, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (D) the Tax Agreement; provided, however, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project and (ii) the terms of the Tax Agreement are consistent with the Agency’s Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 8. The President/CEO, Chair. Vice Chair and/or Senior Vice President of Operations of the Agency are hereby authorized, on behalf of the Agency, to execute, deliver and record any mortgage, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") (collectively, the "Mortgage") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance the Facility or equipment and other personal property and related transactional costs (hereinafter, with the Project Agreement, Lease Agreement, Leaseback Agreement, Tax Agreement and the Mortgage, collectively called the "Agency Documents"): and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the President/CEO, Chair. Vice Chair and/or Senior Vice President of Operations of the Agency shall approve, the execution thereof by the President/CEO, Chair. Vice Chair and/or Senior Vice President of Operations of the Agency to constitute conclusive evidence of such approval: provided in all events recourse against the Agency is limited to the Agency’s interest in the Project.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.
Section 10. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

SECRETARY’S CERTIFICATION
(ForeFront Power, LLC Project)

STATE OF NEW YORK   )
COUNTY OF GENESEE   ) SS:

I, the undersigned Secretary of the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center, DO HEREBY CERTIFY:

That I have compared the annexed extract of minutes of the meeting of the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center (the "Agency"), including the resolution contained therein, held on May 6, 2021, with the original thereof on file in the offices of the Agency, and that the same is a true and correct copy of the proceedings of the Agency and of such resolution set forth therein and of the whole of said original insofar as the same related to the subject matters therein referred to.

I FURTHER CERTIFY, that all members of said Agency had due notice of said meeting, that the meeting was in all respects duly held and that, pursuant to Article 7 of the Public Officers Law (Open Meetings Law), said meeting was open to the general public, and that public notice of the time and place of said meeting was duly given in accordance with such Article 7.

I FURTHER CERTIFY, that there was a quorum of the members of the Agency present throughout said meeting.

I FURTHER CERTIFY, that as of the date hereof, the attached resolution is in full force and effect and has not been amended, repealed or modified.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of said Agency this ___ day of May, 2021.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York General Municipal Law (the "Act") will be held by the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center (the "Agency") on Monday, March 22, 2021, at 10:00 a.m. local time, in connection with the matter described below. PLEASE NOTE THE SPECIAL PUBLIC HEARING LOGISTICS AND INSTRUCTIONS INCLUDED AT THE END OF THIS NOTICE.

ForeFront Power, I.L.C., for itself or on behalf of an entity formed or to be formed by it or on its behalf (the "Company") has submitted an application (the "Application") requesting the Agency's assistance with a project (the "Project") consisting of: (i) the acquisition by the Agency of a leasehold interest in certain real property located at 6982 Norton Road in the Town of Elba, New York (the "Land", being more particularly described as a portion of tax parcel No. 9-1-39.111, as may be subdivided); (ii) the planning, design, construction and operation of a 5MWac PV solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing, security and related improvements (collectively, the "Improvements"); (iii) the acquisition of and installation in and around the Land and Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the "Equipment" and, collectively with, the Land and the Improvements, the "Facility").

The Agency will acquire a leasehold interest in the Facility and lease the Facility back to the Company. The Company will operate the Facility during the term of the lease. At the end of the lease term, the leasehold interests will be terminated. The Agency contemplates that it will provide financial assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, and equipping of the Facility and (b) a partial real property tax abatement structured within a payment-in-lieu-of-tax agreement (collectively, the "Financial Assistance").

PLEASE NOTE SPECIAL PUBLIC HEARING CONDUCT INSTRUCTIONS AND INFORMATION:

In accordance with Section 859-a of the Act, a representative of the Agency will be at the above-stated time and place to present a copy of the Company’s Project Application, which is also available for viewing on the Agency’s website at: gcdec.com/index.php/news/gcdec-approved-projects.

However, given the ongoing COVID-19 public health crisis and related Executive Orders issued by Governor Andrew M. Cuomo, the Agency will not be able to accommodate any in-person public attendance or participation at this hearing. Nonetheless, and in furtherance of the provisions of Section 859-a of the Act requiring interested parties be provided a reasonable opportunity, both orally and in writing, to present their views with respect to the Project, the Agency will broadcast the Public Hearing live on a video conference at: https://zoom.us/j/94733378706, with written comments accepted on that platform in real
time. In addition, the Agency will provide public access to provide oral comments in real time via conference bridge at telephone number: 1-929-205-6099, meeting ID 947 3378 7306. Online livestreaming of the public hearing will be available at https://vimeo.com/519968271.

The Agency also encourages all interested parties to submit written comments to the Agency, which will be included within the public hearing record. Any written comments may be sent to GCEDC, Attention: Mark Masse, Senior Vice President of Operations, 99 MedTech Drive, Suite 106, Batavia, New York 14020, and/or via email at gcedc@gedc.com, with the subject line being "ForeFront Power, LLC Project", no later than Friday, March 26, 2021.

In addition, the Agency will provide public access to provide oral comments in real time via conference bridge at telephone number: 1-929-205-6099, passcode 947 3378 7306. The Agency also encourages all interested parties to submit written comments to the Agency, which will be included within the public hearing record. Any written comments may be sent to GCEDC, Attention: Mark Masse, Senior Vice President of Operations, 99 MedTech Drive, Suite 106, Batavia, New York 14020, and/or via email at mmasse@gcedc.com no later than Friday, March 26, 2021.

A notice of this public hearing describing the project was published in the Batavia Daily News, a copy of which is attached and is an official part of this transcript.

III. PROJECT SUMMARY

The company is planning a community solar farm project in the Town of Elba. The project is a 5 (AC) MW solar generation system that will be interconnected with National Grid.

The project will provide enhanced property tax payments via a 15-year PILOT that are significantly greater than the current agricultural-vacant land value of the project. The project will contribute $6,000/MWAC + a 2% annual escalator, with the 5 MWAC solar farm generating in excess of $518,000 in PILOT payments over the 15-year term. The project will also fund a community benefit agreement for workforce development and economic development projects in Genesee County.
The project is aligned with New York's aggressive goals for renewable energy, energy efficiency and greenhouse gas reductions, and offer customers a 10% discount vs average market rates for the generated power.

In addition to these benefits, the project is supporting the continued viability of the agricultural economy in Genesee County.

GCEDC is seeking to assist the project with sales tax exemption of approximately $781,000 and property tax exemption of approximately $635,000.

IV. COMMENTS

M. Masse began the public hearing by introducing himself as the Sr. VP of Operations of the Genesee County Economic Development Center. He then stated the purpose and guidelines for the public hearing. The purpose of the public hearing is to solicit comments and feedback from the public regarding the proposed incentives on the above outlined project. It is not a question-and-answer session. There were no written comments received ahead of time to be included with the written record.

V. ADJOURNMENT

As there were no written or oral comments, the public hearing was closed at 10:25 am.

STATE OF NEW YORK  COUNTY OF GENESEE  TOWN OF ELBA PLANNING BOARD

In the Matter of the Application of ForeFront Power LLC

RESOLUTION

UPON MOTION OF BRYAN CUSB, SECONDED BY KIM DALL, IT IS UNANIMOUSLY RESOLVED THAT:

WHEREAS, the Town of Elba Planning Board (the "Board") has received an application (the "Application") from ForeFront Power LLC (the "Applicant") for a Special Use Permit and Site Plan Approval to construct and operate a 5-megawatt (AC) ground-mounted solar array with associated electrical equipment, access road, fencing, and landscaping on a portion of an existing agricultural field located at 6974 Norton Road in Elba, New York (the "Property") within an approximate 41.86-acre site (the "Action"); and

WHEREAS, the original Application, dated November 12, 2020 (the "Original application") consisted of the following documents:

1. Cover Letter
2. Anticipated Project Review Schedule
3. Site Plan Permit Application
4. Agricultural Data Statement
5. A Full State Environmental Quality Review Act ("SEQRA"), Environmental Assessment Form ("EAF") Part 1, dated November 6, 2020 with the following attachments:
   a. NYSDEC New York Natural Heritage Program Memo, dated August 18, 2020
   b. NYSDEC Office of Parks, Recreation and Historic Preservation Memo, dated November 2, 2020
   c. U.S. Fish and Wildlife Service Consultation Memo and Determination, dated July 13, 2020
6. Concept Plan
7. Landscaping Plan

WHEREAS, the Original Application was supplemented by the following documents (collectively, the "Supplemental Submittals"):  

2. Additional Site Plan
3. Additional EAF Part 2
4. Additional SEQRA

At a Meeting of the Town of Elba Planning Board held on the 15th day of April, 2021, at 7:00 pm, at the Elba Town Hall, 7 Maple Avenue, in the Town of Elba, County of Genesee and State of New York.

3. Scope of Maintenance Services (Operations and Maintenance Plan)

4. Decommissioning Plan, initially dated January 2021, and revised March 2021

WHEREAS, comments on the Original Application and Supplemental Submittals were made by La Bella Associates, engineers for the Town (the “Town Engineer”), on behalf of the Board by letter dated March 18, 2021 (the “Town Engineer Comments”); and

WHEREAS, the Applicant responded to the Town Engineer Comments by letter dated March 21, 2021 (the “Applicant Response to Comments,” which together with the Original Application and Supplemental Submittals constitute the complete Application); and

WHEREAS, the Action is a Type 1 Action under the State Environmental Quality Review Act (“SEQRA”), and the regulations promulgated thereunder; and

WHEREAS, on January 21, 2021, the Board asserted SEQRA lead agency, undertook coordinated review, and subsequently issued a Notice of Intent to Become Lead Agency to the involved agencies listed in the EAF on February 2, 2021; and

WHEREAS, no involved agency objected to the Board’s assertion of SEQRA lead agency and no comments on the Action were received from the NYSDEC or New York State Office of Parks, Recreation, and Historic Preservation; and

WHEREAS, the Application and EAF were deemed complete at the Board meeting held February 18, 2021; and

WHEREAS, a public hearing was held on the Application and the EAF on March 18, 2021, where the public was given the opportunity to be heard and comments were received on the Application related to the landscaping planned along the northern boundary of the Property, the impact on the snowmobile trail on the Property, and the impact of the Action on storm water drainage, noise, and property values; and

WHEREAS, the Applicant noted that the Action provides space for the snowmobile trail and will comply with NYSDEC storm water management regulations; will produce negligible noise beyond the Property, and agreed to meet with the owners of the adjacent parcel to the north of the Property to discuss the landscaping plans to ensure views of the Action are minimized; and

WHEREAS, any additional public comments were received on the Application; and

WHEREAS, the Application and EAF were referred to the Genesee County Planning Board (“County Planning”) pursuant to General Municipal Law § 239-m; and
WHEREAS, on March 11, 2021, County Planning approved the Original Application with the condition that, because the project site will be located primarily on prime agricultural soils and active farmland, the applicant minimize impacts to future farming of the site by relocating the portion of the driveway and equipment pad currently proposed through the middle of the array to the edge of the field or on existing laneways; and

WHEREAS, subsequent meetings and communications among County Planning, the Genesee County Soil & Water Conservation District Office, and the Applicant clarified that the concern regarding the location of the driveway and equipment pad was related to irreversible compaction of agricultural soils in the area of the driveway and equipment pad from equipment and trucks; and

WHEREAS, the Genesee County Soil & Water Conservation District Office recommended as an alternative to revise the January 2021 Decommissioning Plan to modify the site restoration plan to include, among other things, compaction of soil to a depth of two feet below the 12-inch stone layer of the driveway followed by the replacement of 12 inches of topsoil to match existing grade, and post-decommissioning monitoring; and

WHEREAS, the Decommissioning Plan, revised March 2021, including the revised site restoration plan, was referred to County Planning for supplemental review and the revised Application was approved on April 8, 2021 with the recommendation that the Applicant submit an application for 9-1-1 Address Verification to the Genesee County Sheriff’s Office to ensure that the address of the proposed solar system meets Enhanced 9-1-1 standards; and

WHEREAS, a draft Part 2 and Part 3 of a Full Environmental Assessment Form (“EAF”), with accompanying narrative, was prepared for the Action, which the Board has reviewed; and

NOW, THEREFORE, IT IS RESOLVED that, that the Board has considered the proposed Action and its potential for environmental impacts: reviewed and considered the EAF, the criteria contained in 6 N.Y.C.R.R. §617.7(c), and other supporting information to identify the relevant areas of environmental concern; and thoroughly analyzed the identified relevant areas of environmental concern to determine if the proposed Action may have a significant adverse impact on the environment, and finds that the proposed Action would not have a significant impact on the environment because of the reasons discussed in the narrative to Part 3 of the EAF, which is incorporated in full herein and attached hereto: and

IT IS FURTHER RESOLVED, that pursuant to the State Environmental Quality Review Act, a Negative Declaration shall be made and duly filed, and an environmental impact statement need not be prepared: and it is

NOW, THEREFORE, IT IS FURTHER RESOLVED that the Special Use Permit and Site Plan Approval requested in the Application is approved, subject to the conditions listed in Exhibit “A” annexed hereto.

Conditions to Approval

1. Prior to construction, the Applicant must obtain a Building Permit for the Project from the Town Code Enforcement Officer ("CEO").

2. The Project shall be constructed and operated in a manner consistent with the materials included in the approved Application.

3. The Applicant will provide a CESIR study and any subsequent agreement for the Project from the electric utility, National Grid, to the Town for the public record.

4. The Project will comply with the State Pollutant Discharge Elimination System (SPDES) General Permit for Storm Water Discharges from Construction Activities (GP-0-10-001).

5. The Applicant will comply with NYSDEC requirements for on-site surveys to fully assess impacts on biological resources from the Project.

6. Revisions to drawings previously submitted with the Application should be dated and clouded to graphically clarify the changes that have been made.

7. Prior to the issuance of a Building Permit, the Applicant will provide the following to the CEO and Town Engineer:
   a. A copy of the wetland delineation for the Property.
   b. Updated Sheets C-01, C-02, C-03, and G-02 to include in the Project Summary tables the tax map number or the project parcel, zoning district classification, proposed maximum height of solar panels and setback requirements.
   c. A final specification sheet for solar panels, significant components, mounting systems, and inverters.
   d. Updated Landscape Screening Plan verifying the quantity of Eastern White Cedar to be planted.
   e. Utility pole detail to clarify the proposed height, material, color, and installation method.
   f. A copy of the approved SWPPP project waiver from NYSDEC for disturbance of more than 5 acres.
   g. Update Sheet C-04 to include the geotextile product specification.
   h. The Operations and Maintenance Plan will be updated to describe the daily active site monitoring including how the system will be remotely monitored, who will perform the monitoring, and the contact information for the remote monitoring company.

8. A signature block will be added on each drawing of the plan set for the Planning Board Chair to sign and date, and the site plan drawing to be presented for final signature to the Planning Board Chair will be signed and sealed by a New York State Licensed Professional Engineer.

9. A copy of the annual inspection reports for the facility will be provided to the CEO.
10. Prior to the commencement of operations, financial security for the expected life of the facility will be provided by the Applicant in the form of a bond, cash collateral, security deposit, escrow account, letter of credit or other form of acceptable financial surety in an amount (the “Security Amount”), to be approved by the Town Engineer, equal to 125% of the net cost estimate to implement the Decommissioning Plan with an escalator of 3% annually. Such estimate shall be professionally prepared and include a detailed schedule of values, detailed basis for any offset claimed for salvage value, and a line item for the Town to engage their consulting engineer to review and approve the completed restoration including any damage or necessary cleaning of Town and County roadways. The financial security shall remain active until the facility is fully decommissioned. The financial security shall be irrevocable and state on its face that it is expressly held by and for the sole benefit of Town. The financial security and the Security Amount shall be renewed every five (5) years based on same methodology as the original Security Amount, shall include an escalator of 3% annually, and shall be subject to the approval of the Town Engineer. Once the decommissioning and restoration of the site has been completed, any unused portion of the financial surety will be returned to the Solar Permit holder.

11. Prior to the issuance of a building permit, the Applicant shall submit an application for 9-1-1 Address Verification to the Genesee County Sheriff's Office to ensure that the address of the proposed solar system meets Enhanced 9-1-1 standards.

12. The Applicant shall submit the Application documents to the local Fire Chief for their review and for developing a local emergency response plan. A record of submittal will need to be provided prior to issuance of a building permit. All comments and concerns of the local fire department shall be addressed.

13. The Solar Energy Systems shall be maintained in good working order and in accordance with industry standards. Site access shall be maintained, including snow removal at a level acceptable to the local fire department and the local ambulance corps.

14. The Applicant, its successors and/or assigns, shall file annually with the Town, on the anniversary date of the granting of the Special Permit, a written report certifying that the Applicant, its successors and/or assigns are complying with maintenance and inspection procedures, and that the facility is not a hazard or a threat of a hazard to the health and safety of the public.

15. Prior to the commencement of facility operations, a payment-in-lieu-of taxes (PILOT) for the facility will be executed.

16. Prior to the commencement of operations and in a manner consistent with the escrow agreement between the Applicant and the Town, the Applicant shall have funded the escrow account set up by the Board to pay for legal and engineering services for review of the Application in an amount sufficient to pay all invoices of said consultants to the Board.

CERTIFICATION OF TOWN CLERK

STATE OF NEW YORK
COUNTY OF ELBA) s.s.:
TRISHA WERTH, Town Clerk of the Town of Elba, Genesee County, New York, DOES HEREBY CERTIFY that she has compared the above Resolution duly adopted by the Planning Board of the Town of Elba on the 20th day of April, 2021 with the original Resolution now on file in her office, and she certifies that it is a correct and true copy of that Resolution.

Dated: April 20, 2021

TRISHA WERTH, Elba Town Clerk
Part 2 is to be completed by the lead agency. Part 2 is designed to help the lead agency inventory all potential resources that could be affected by a proposed project or action. We recognize that the lead agency’s reviewer(s) will not necessarily be environmental professionals. So, the questions are designed to walk a reviewer through the assessment process by providing a series of questions that can be answered using the information found in Part 1. To further assist the lead agency in completing Part 2, the form identifies the most relevant questions in Part 1 that will provide the information needed to answer the Part 2 question. When Part 2 is completed, the lead agency will have identified the relevant environmental areas that may be impacted by the proposed activity.

If the lead agency is a state agency and the action is in any Coastal Area, complete the Coastal Assessment Form before proceeding with this assessment.

Tips for completing Part 2:
- Review all of the information provided in Part 1.
- Review any application, maps, supporting materials and the Full EAF Workbook.
- Answer each of the 18 questions in Part 2.
- If you answer “Yes” to a numbered question, please complete all the questions that follow in that section.
- If you answer “No” to a numbered question, move on to the next numbered question.
- Check appropriate column to indicate the anticipated size of the impact.
- Proposed projects that would exceed a numeric threshold contained in a question should result in the reviewing agency checking the box “Moderate to large impact may occur.”
- The reviewer is not expected to be an expert in environmental analysis.
- If you are not sure or undecided about the size of an impact, it may help to review the sub-questions for the general question and consult the workbook.
- When answering a question consider all components of the proposed activity, that is, the “whole action.”
- Consider the possibility for long-term and cumulative impacts as well as direct impacts.
- Answer the question in a reasonable manner considering the scale and context of the project.

### 1. Impact on Land

Proposed action may involve construction on, or physical alteration of, the land surface of the proposed site. (See Part 1 D 1)

Full Environmental Assessment Form

Part 3 - Evaluation of the Magnitude and Importance of Project Impacts and

Determination of Significance

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete the determination of significance.

Reasons Supporting This Determination:

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences of the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact.
- For Conditional Negative Declarations, identify the specific conditions imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

See attached narrative.

Upon review of the information recorded on this EAF as noted, plus this additional support information and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the [ ] as lead agency that:

☐ A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

☐ B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see A NYCRR 617.7(d)).

☐ C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.

Project Name: DePaul Special Needs Apartments, L.P.
Board Meeting Date: March 25, 2021

STATEMENT OF COMPLIANCE OF PROJECT CRITERIA LISTED IN UNIFORM TAX EXEMPTION POLICY (UTEPI)

PROJECT DESCRIPTION:
DePaul Special Needs Apartments, L.P., is proposing a $3.75 million expansion project in the City of Batavia. The applicant currently owns and operates a 42 unit building of special needs housing, and will construct an additional 20 units for a total of 62 units. The addition will be comprised of two floors with a central elevator, which the existing building lacks, and laundry services and computer lounges will be available on each floor.

The company received assistance through the GCEDC for its original construction in the form of a 30-year PILOT approved March 1, 2009. DePaul seeks to amend the existing PILOT to account for the additional 20 units at the existing per unit PILOT rate. The additional units would be added to the existing PILOT schedule when they are placed in service, which is estimated to commence as of the due date for the April 1, 2023 City PILOT payment. The total annual PILOT payments would increase by approximately $6,000 for the additional 20 units over the remainder of the additional PILOT. In addition, a sales tax exemption has been requested for the construction of the expansion.

Criteria #1- The Project pledges to create and/or retain quality, good paying jobs in Genesee County.

Project details: The project plans to create 2.5 FTE’s and retain 13 FTE’S with an average salary of $15-$22/ hour.

Board Discussion:
Board Concurrence: YES NO If no, state justification:

Criteria #2- Completion of the Project will enhance the long-term tax base and/or make a significant capital investment.

Project details: The project will enhance long term tax base with a $3.75 million expansion of 20 units (existing 49,800 sq. ft., addition 20,100 sq. ft, total 69,900 sq.ft.)

Board Discussion:
Board Concurrence: YES NO If no, state justification:

Criteria #3- The Project will contribute towards creating a “livable community” by providing a valuable product or service that is underserved in Genesee County.
**Project details:** The project will contribute towards a “livable community” as these mental health patients currently reside in the county without these enhanced services.

**Board Discussion:**

**Board Concurrence:**  YES  NO  If no, state justification:

**Criteria #4:** The Board will review the Agency’s Fiscal and Economic Impact analysis of the Project to determine if the Project will have a meaningful and positive impact on Genesee County. This calculation will include the estimated value of any tax exemptions to be provided along with the estimated additional sources of revenue for municipalities and school districts that the proposed project may provide.

**Project details:** For every $1 of public benefit the company is investing $2.6 into the local economy

**Board Discussion:**

**Board Concurrence:**  YES  NO  If no, state justification:

**Criteria #5:** The Project is included in one of the Agency’s strategic industries: Agri-Business and Food Processing, Manufacturing, Advanced Manufacturing and Nano-Enabled Manufacturing, Life Sciences and Medical Device.

**Project details:** N/A

**Board Discussion:**

**Board Concurrence:**  YES  NO  If no, state justification:

**Criteria #6:** The Project will give a reasonable estimated timeline for the completion of the proposed project.

**Project details:** The project is planning to begin construction in Summer of 2021 and be operational by first quarter of 2023.

**Board Discussion:**

**Board Concurrence:**  YES  NO  If no, state justification:
FINAL RESOLUTION
(Batavia Special Needs Apartments, L.P. Project)

A regular meeting of the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center was convened on Thursday, May 6, 2021.

The following resolution was duly offered and seconded, to wit:

Resolution No. 05/2021 -

RESOLUTION OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY d/b/a GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (THE "AGENCY") (i) ACKNOWLEDGING THE PUBLIC HEARING HELD BY THE AGENCY ON APRIL 14, 2021, WITH RESPECT TO THE BATAVIA SPECIAL NEEDS APARTMENTS, L.P. (THE "COMPANY") PROJECT (THE "PROJECT"); (ii) MAKING A DETERMINATION WITH RESPECT TO THE PROJECT PURSUANT TO SEQRA (AS DEFINED BELOW); (iii) APPOINTING THE COMPANY AS AGENT OF THE AGENCY; (iv) AUTHORIZING FINANCIAL ASSISTANCE TO THE COMPANY IN THE FORM OF (A) A SALES AND USE TAX EXEMPTION FOR PURCHASES AND RENTALS RELATED TO THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, RENOVATION AND EQUIPPING OF THE PROJECT, AND (B) A REAL PROPERTY TAX ABATEMENT STRUCTURED THROUGH A TAX AGREEMENT; AND (v) AUTHORIZING THE NEGOTIATION, EXECUTION AND DELIVERY OF A PROJECT AGREEMENT, LEASE AGREEMENT, LEASEBACK AGREEMENT, TAX AGREEMENT, MORTGAGE, AND RELATED DOCUMENTS WITH RESPECT TO THE PROJECT.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "State"), as amended, and Chapter 565 of the Laws of 1970 of the State of New York, as amended (hereinafter collectively called the "Act"), the GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY d/b/a GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (the "Agency") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, the Agency previously undertook a certain project (the "2009 Project") for the benefit of BATAVIA SPECIAL NEEDS APARTMENTS, L.P. (the "Company"), consisting of: (i) the acquisition or retention by the Agency of fee title to or a leasehold interest in certain contiguous parcels of land located at 555 East Main Street in the City of Batavia, Genesee County, New York (collectively, the "Land"), (ii) the razing of certain existing residential buildings located on the Land (the "2009 Existing Improvements"), (iii) the construction and equipping on the Land by the Company of an approximately 42,600 square-foot forty-two (42) unit apartment project for mentally handicapped and mentally challenged adults (the "2009 Improvements") and (iv) the acquisition by the Company in and around the 2009
Improvements of certain items of equipment and other tangible personal property (the "2009 Equipment" and, collectively with the Land, the Original Existing Improvements and the Original Improvements, the "2009 Facility"); and

WHEREAS, by resolution adopted on November 25, 2008, the Agency, among other things, (i) appointed the Company as its agent to undertake the 2009 Project and (ii) authorized financial assistance to the Company with respect to the 2009 Project in the form of (a) a sales and use tax exemption for purchases and rental related to the acquisition, construction and equipping of the 2009 Project, (b) a partial real property tax abatement structured through the 2009 Tax Agreement, and (c) a mortgage recording tax exemption for the financing or re-financing related to the 2009 Project (collectively, the "2009 Financial Assistance"); and

WHEREAS, in connection with the 2009 Project, the Agency and the Company entered into certain agreements, including but not limited to: (i) a certain Lease Agreement, dated as of March 1, 2009 (the "2009 Lease Agreement"), a memorandum of which was recorded in Genesee County Clerk's Office on March 31, 2009, in Liber 873, Page 19; (ii) a certain Leaseback Agreement, dated as of March 1, 2009 (the "2009 Leaseback Agreement"), a memorandum of which was recorded in the Genesee County Clerk's Office on March 31, 2009, in Liber 873, Page 24; and (iii) a certain Payment-in-Lieu-of-Tax Agreement, dated as of March 1, 2009 (the "2009 Tax Agreement"); and

WHEREAS, on or about March 11, 2021, the Company submitted an application (the "Application") requesting the Agency's assistance with a certain project (the "Project") consisting of: (i) the retention by the Agency of a leasehold interest in the Land; (ii) the planning, design, construction and operation of an approximately two-story 20,100 square foot addition to the 2009 Improvements consisting principally of approximately twenty (20) affordable housing units, all of which will serve those at 50% Area Median Income, a central elevator, computer lounges, on-site laundry services, community rooms and related amenities (the "Improvements"); and (iii) the acquisition and installation in and around the Improvements of certain items of machinery, equipment and other items of tangible personal property (the "Equipment"; and, together with the Land and the Improvements, the "Facility"); and

WHEREAS, it is contemplated that the Agency will (i) designate the Company as agent of the Agency for the purpose of undertaking the Project pursuant to a project agreement (the "Project Agreement"), (ii) negotiate and enter into a lease agreement (the "Lease Agreement"), a leaseback agreement (the "Leaseback Agreement"), a tax agreement (the "Tax Agreement") and related documents with the Company, (iii) take or title to or a leasehold interest in the Land, the 2009 Improvements, the Improvements and personal property constituting the Project (once the Lease Agreement, the Leaseback Agreement and the Tax Agreement have been negotiated), and (iv) provide financial assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction and equipping of the Project, and (b) a partial real property tax abatement structured through the Tax Agreement (collectively, the "Financial Assistance"); and

WHEREAS, on March 25, 2021, the Agency adopted a resolution (the "Initial Resolution") pursuant to which the Agency (i) accepted the Application of the Company, and (ii) directed that a public hearing be held; and
WHEREAS, pursuant to Section 859-a of the Act and pursuant to Executive Orders issued by Governor Andrew M. Cuomo, on Wednesday, April 14, 2021, at 10:30 a.m., the Agency held a virtual public hearing with respect to the Project and the proposed Financial Assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally – by teleconference - and in writing, to present their views. (A copy of the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions at least ten (10) days prior to said Public Hearing are attached hereto as Exhibit A); and

WHEREAS, pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto at 6 N.Y.C.R.R. Part 617, as amended (collectively referred to as "SEQRA"), the Agency must satisfy the applicable requirements set forth in SEQRA, as necessary, prior to making a final determination whether to undertake the Project; and

WHEREAS, the City of Batavia Planning and Development Committee (the "Committee"), acting as "lead agency" (as such term is defined under SEQRA), undertook an "uncoordinated review" (as such term is defined under SEQRA) of the Project, determined that the Project was an "Unlisted Action" (as such term is defined under SEQRA) and on June 16, 2020, issued a "negative declaration" (as such term is defined under SEQRA) with respect to the Project (the "Negative Declaration"); and

WHEREAS, pursuant to Article 18-A of the Act the Agency desires to adopt a resolution approving the Project and the Financial Assistance (as defined below) that the Agency is contemplating with respect to the Project; and

WHEREAS, the Project Agreement, the Lease Agreement, the Leaseback Agreement, the Tax Agreement and related documents will be negotiated and presented to the President/CEO, Chair, Vice Chair and/or Senior Vice President of Operations of the Agency for approval and execution subject to adoption of the resolutions contained herein.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and
(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County, New York and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) The Project involves an "Unlisted Action". The City of Batavia Planning and Development Committee (the "Committee") has conducted a review of the Project pursuant to Article 8 of the Environmental Conservation Law and 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"). The Board issued a Negative Declaration on June 16, 2020 (the "Negative Declaration"), determining that the Project does not pose a potential significant adverse environmental impact. The Agency, having reviewed the materials presented by the Company, including, but not limited to, the Short Environmental Assessment Form and the Negative Declaration, further determines that the Project does not pose a potential significant adverse environmental impact and thus ratifies the Negative Declaration previously issued by the Board pursuant to 6 N.Y.C.R.R. Part 617.7.

Section 2. The virtual Public Hearing held by the Agency on Wednesday, April 14, 2021, at 10:30 a.m., concerning the Project and the Financial Assistance was duly held in accordance with the Act and pursuant to Executive Orders issued by Governor Andrew M. Cuomo, including but not limited to the giving of at least ten (10) days published notice of the Public Hearing (such notice also provided to the Chief Executive Officer of each affected tax jurisdiction), affording interested parties a reasonable opportunity, both orally - by teleconference - and in writing, to present their views with respect to the Project.

Section 3. The Agency is hereby authorized to provide to the Company the Financial Assistance in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction, renovation and equipping of the Project, and (b) a partial real property tax abatement structured through the Tax Agreement.

Section 4. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to State and local sales and use tax in an amount up to $2,250,000, which result in State and local sales
and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed $180,000. The Agency agrees to consider any requests by the Company for an increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 5. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any Sales and Use Tax Exemption Benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 6. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Project Agreement shall expire on January 31, 2022 (unless extended for good cause by the President/CEO of the Agency) if the Lease Agreement, the Leaseback Agreement and the Tax Agreement contemplated have not been executed and delivered.

Section 7. The President/CEO, Chair, Vice Chair and/or Senior Vice President of Operations of the Agency are hereby authorized, on behalf of the Agency, to negotiate and enter into (A) the Project Agreement, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (D) the Tax Agreement; provided,
however, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project and (ii) the terms of the Tax Agreement are consistent with the Agency’s Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 8. The President/CEO, Chair, Vice Chair and/or Senior Vice President of Operations of the Agency are hereby authorized, on behalf of the Agency, to execute, deliver and record any mortgage, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") (collectively, the "Mortgage") to assist with the undertaking of the Project, the acquisition of the Facility and/or the finance or re-finance the Facility or equipment and other personal property and related transactional costs (hereinafter, with the Project Agreement, Lease Agreement, Leaseback Agreement, Tax Agreement and the Mortgage, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the President/CEO, Chair, Vice Chair and/or Senior Vice President of Operations of the Agency shall approve, the execution thereof by the President/CEO, Chair, Vice Chair and/or Senior Vice President of Operations of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency’s interest in the Project.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 10. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Public Hearing  

Ladies and Gentlemen:  

On Wednesday, April 14, 2021, at 10:30 a.m., local time, the Genesee County Industrial  
Development Agency d/b/a Genesee County Economic Development Center (the "Agency") will  
conduct a public hearing regarding the above-referenced project. Enclosed is a copy of the  
Notice of Public Hearing describing the project and the financial assistance being contemplated  
by the Agency. The Notice has been submitted to The Daily News for publication.  

In accordance with Section 859-a of the Act, a representative of the Agency will be at the  
above-stated time and place to present a copy of the Company’s project Application, which is  
also available for viewing on the Agency’s website at: gcsrc.com/index.php/news/gcedc-  
approved-projects.
However, given the ongoing COVID-19 public health crisis and related Executive Orders issued by Governor Andrew M. Cuomo, the Agency will not be able to accommodate any in-person public attendance or participation at this hearing. Nonetheless, and in furtherance of the provisions of Section 859-a of the Act requiring interested parties be provided a reasonable opportunity, both orally and in writing, to present their views with respect to the Project, the Agency will broadcast the Public Hearing live on a video conference at https://zoom.us/s/99588259354 with written comments accepted on that platform in real time. In addition, the Agency will provide public access to provide oral comments in real time via conference bridge at telephone number: 929-205-6099, meeting ID 995 8825 9354. Online livestreaming of the public hearing will be available at https://vimeo.com/530542509.

The Agency also encourages all interested parties to submit written comments to the Agency, which will be included within the public hearing record. Any written comments may be sent to GCEDC, Attention: Mark Masse, Senior Vice President of Operations, 99 MedTech Drive, Suite 106, Batavia, New York 14020, and/or via email at geedc@geedc.com, with the subject line being "Batavia Special Needs", no later than Friday, April 16, 2021.

The public hearing is being conducted pursuant to Section 859-a of the General Municipal Law. We are providing this notice to you, pursuant to General Municipal Law Section 859-a, as the chief executive officer of an affected tax jurisdiction within which the project is located.

Very truly yours,

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York General Municipal Law (the "Act") will be held by the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center (the "Agency") on Wednesday, April 14, 2021, at 10:30 a.m., local time, in connection with the matter described below. PLEASE NOTE THE SPECIAL PUBLIC HEARING LOGISTICS AND INSTRUCTIONS INCLUDED AT THE END OF THIS NOTICE.

Batavia Special Needs Apartments, L.P., for itself or on behalf of an entity formed or to be formed by it or on its behalf (the "Company") has submitted an application (the "Application") to the Agency requesting the Agency's assistance with a project (the "Project") consisting of: (i) the retention by the Agency of its leasehold in certain contiguous parcels of land located at 555 East Main Street in the City of Batavia, Genesee County, New York (collectively, the "Land"); (ii) the planning, design, construction and addition to the existing approximately 42,600 square-foot forty-two (42) unit apartment facility for mentally handicapped and mentally challenged adults (the "Existing Improvements") of an approximately two-story 20,100 square-foot addition to consist principally of approximately twenty (20) affordable housing units, all of which will serve those at 50% Area Median Income, a central elevator, computer lounges, on-site laundry services, community rooms and related amenities (the "Improvements"); and (iii) the acquisition and installation in and around the Existing Improvements and Improvements of certain items of machinery, equipment and other items of tangible personal property (the "Equipment"); and, together with the Land, the Existing Improvements, and Improvements, the "Facility").

The Agency will retain its leasehold or other interest in the Facility and lease the Facility back to the Company. The Company will operate the Facility during the term of the lease. At the end of the lease term, the leasehold interest of the Agency will be terminated. The Agency contemplates that it will provide financial assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction, renovation and equipping of the Facility, consistent with the policies of the Agency, and (b) a partial real property tax abatement structured within a Tax Agreement (collectively, the "Financial Assistance").

PLEASE NOTE SPECIAL PUBLIC HEARING CONDUCT INSTRUCTIONS AND INFORMATION:

In accordance with Section 859-a of the Act, a representative of the Agency will be at the above-stated time and place to present a copy of the Company's Project Application, which is also available for viewing on the Agency's website at: gcedc.com/index.php/news/gcedc-approved-projects.

However, given the ongoing COVID-19 public health crisis and related Executive Orders issued by Governor Andrew M. Cuomo, the Agency will not be able to accommodate any in-person public attendance or participation at this hearing. Nonetheless, and in furtherance of the provisions of Section 859-a of the Act requiring interested parties be provided a reasonable opportunity, both orally and in writing, to present their views with respect to the Project, the Agency will broadcast the Public Hearing live on a video conference at: https://zoom.us/s/99588259354, with written comments accepted on that platform in real time. In addition, the Agency will provide public access to provide oral comments in real time via

The Agency also encourages all interested parties to submit written comments to the Agency, which will be included within the public hearing record. Any written comments may be sent to GCEDC, Attention: Mark Masse, Senior Vice President of Operations, 99 MedTech Drive, Suite 106, Batavia, New York 14020, and/or via email at gecedc@geedc.com, with the subject line being "Batavia Special Needs", no later than Friday, April 16, 2021.

A notice of this public hearing describing the project was published in the Batavia Daily News, a copy of which is attached and is an official part of this transcript.

III. PROJECT SUMMARY

DePaul Special Needs Apartments, L.P., is proposing a $3.75 million expansion project in the City of Batavia. The applicant currently owns and operates a 42 unit building of special needs housing and will construct an additional 20 units for a total of 62 units. The addition will be comprised of two floors with a central elevator, which the existing building lacks, and laundry services and computer lounges will be available on each floor.
The company received assistance through the GCEDC for its original construction in the form of a 30-year PILOT approved March 1, 2009. DePaul seeks to amend the existing PILOT to account for the additional 20 units at the existing per unit PILOT rate. The additional units would be added to the existing PILOT schedule when they are placed in service, which is estimated to commence as of the due date for the April 1, 2023 City PILOT payment. The total annual PILOT payments would increase by approximately $6,000 for the additional 20 units over the remainder of the additional PILOT. In addition, a sales tax exemption has been requested for the construction of the expansion.

IV. COMMENTS

C. Suozzi began the public hearing by introducing himself and welcoming those in attendance. He then stated the purpose and guidelines for the public hearing. The purpose of the public hearing is to solicit comments and feedback from the public regarding the proposed incentives on the above outlined project. It is not a question-and-answer session. There were no written comments received ahead of time to be included with the written record.

V. ADJOURNMENT

As there were no written or oral comments, the public hearing was closed at 10:40 am.

Opportunity Summary: The company is planning a community solar farm project in the Town of Elba. The project is a 5 (AC) MW solar generation system that will be interconnected with National Grid. The project will provide enhanced property tax payments via a 15-year PILOT that are significantly greater than the current agricultural-vacant land value of the project. The project will contribute $6,000/MWAC + a 2% annual escalator, with the 5 MWAC solar farm generating in excess of $518,000 in PILOT payments over the 15-year term. The project will also fund a community benefit agreement for workforce development and economic development projects in Genesee County. The project is aligned with New York’s aggressive goals for renewable energy, energy efficiency and greenhouse gas reductions, and offer customers a 10% discount vs average market rates for the generated power.

Economic Impact: In addition to these benefits, the project supporting the continued viability of the agricultural economy in Genesee County.

INITIAL RESOLUTION  
(NY CDG Genesee I LLC Project)

A regular meeting of the Genesee County Industrial Development Agency d/b/a Genesee County Economic Development Center was convened on Thursday, May 6, 2021.

The following resolution was duly offered and seconded, to wit:

Resolution No. 05/2021 -

RESOLUTION OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (THE "AGENCY") (i) ACCEPTING AN APPLICATION WITH RESPECT TO A CERTAIN PROJECT (AS DEFINED BELOW, THE "PROJECT"), (ii) AUTHORIZING A PUBLIC HEARING WITH RESPECT TO THE PROJECT AND (iii) DESCRIBING THE FORMS OF FINANCIAL ASSISTANCE BEING CONTEMPLATED BY THE AGENCY WITH RESPECT TO THE PROJECT.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 565 of the Laws of 1970 of the State of New York, as amended (hereinafter collectively called the "Act"), the GENESSEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY d/b/a GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (the "Agency") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, NY CDG GENESEE I LLC, for itself or on behalf of an entity formed or to be formed by it or on its behalf (the "Company") has submitted an application (the "Application") to the Agency, a copy of which is on file with the Agency, requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (i) the acquisition by the Agency of a leasehold interest in certain real property located at 7209 Oak Orchard Road in the Town of Elba, New York (the "Land", being more particularly described as a portion of tax parcel No. 11-1-5.12, as may be subdivided); (ii) the planning, design, construction and operation of a 5MWac PV solar electrical generation system, including panel foundations, inverters, transformers, interconnect wiring, utility connections, sitework, landscaping, fencing, security and related improvements (collectively, the "Improvements"); (iii) the acquisition of and installation in and around the Land and Improvements by the Company of machinery, equipment, fixtures and other items of tangible personal property (the "Equipment" and, collectively with, the Land and the Improvements, the "Facility"); and

WHEREAS, pursuant to Article 18-A of the Act, the Agency desires to adopt a resolution describing the Project and the Financial Assistance (as defined below) that the Agency is contemplating with respect to the Project; and
WHEREAS, it is contemplated that the Agency will (i) hold a public hearing, (ii) designate the Company as agent of the Agency for the purpose of undertaking the Project pursuant to an agent, financial assistance and project agreement (the "Agent Agreement"), (iii) negotiate and enter into a lease agreement (the "Lease Agreement"), a leaseback agreement (the "Leaseback Agreement"), a tax agreement (the "Tax Agreement") and related documents, (iv) take a leasehold interest in the Land, the Improvements, the Equipment and the personal property constituting the Project (once the Lease Agreement, the Leaseback Agreement and the Tax Agreement have been negotiated), and (v) provide Financial Assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction and equipping of the Facility and (b) a partial real property tax abatement structured through the Tax Agreement (collectively, the "Financial Assistance").

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or a commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. The Agency is hereby authorized to conduct a public hearing in compliance with the Act.
Section 3. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 4. These Resolutions shall take effect immediately.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Project Name: NY CDG Genesee 1, LLC – BW Solar Elba
Board Meeting Date: May 6, 2021

STATEMENT OF COMPLIANCE OF PROJECT CRITERIA LISTED IN UNIFORM TAX EXEMPTION POLICY (UTEPI)

PROJECT DESCRIPTION:

The company is planning a community solar farm project in the Town of Elba. The project is a 5 (AC) MW solar generation system that will be interconnected with National Grid.

The project will provide enhanced property tax payments via a 15-year PILOT that are significantly greater than the current agricultural-vacant land value of the project. The project will contribute $6,000/MWAC + a 2% annual escalator, with the 5 MWAC solar farm generating in excess of $518,000 in PILOT payments over the 15-year term. The project will also fund a community benefit agreement for workforce development and economic development projects in Genesee County.

The project is aligned with New York’s aggressive goals for renewable energy, energy efficiency and greenhouse gas reductions, and offer customers a 10% discount vs average market rates for the generated power.

In addition to these benefits, the project supporting the continued viability of the agricultural economy in Genesee County.

Criteria #1 – The Project pledges to create and/or retain quality, good paying jobs in Genesee County.

Project details: n/a

Board Discussion:

Board Concurrence: YES   NO   If no, state justification:

Criteria #2 - Completion of the Project will enhance the long-term tax base and/or make a significant capital investment.

Project details: The project will enhance long term tax base with a planned new community solar farm and $7,326,000 in capital investment. A fixed 15-year pilot with a 2% annual escalator priced at $6,000/MWAC is proposed which is above the top end of the NYSERDA recommended range for projects located in National Grid territory in Western NY. The 5 MW solar farm will generate in excess of $518,000 in PILOT payments over the 15-year term which is far greater than current assessed value of this Ag/Vacant land.

Board Discussion:

Board Concurrence: YES   NO   If no, state justification:
Criteria #3: The Project will contribute towards creating a “livable community” by providing a valuable product or service that is underserved in Genesee County.

Project details: The company is assisting with a $25,000 payment for STEM oriented workforce training/county economic development programming to support STEM 2 STAMP workforce development programs/local economic development programming. Residents will be offered a 10% discount to average local market rates for solar energy.

Board Discussion:

Board Concurrency: YES NO If no, state justification:

Criteria #4: The Board will review the Agency’s Fiscal and Economic Impact analysis of the Project to determine if the Project will have a meaningful and positive impact on Genesee County. This calculation will include the estimated value of any tax exemptions to be provided along with the estimated additional sources of revenue for municipalities and school districts that the proposed project may provide.

Project details: This solar project is generating an increase to the tax revenue of $452,956 (both PILOT and Real Property taxes). This calculates to a rate of return based on the original property taxes additional $4.74 for every previous $1. Directly supports NYS Energy Policy (REV) alignment: NYS has aggressive goals for renewable energy, energy efficiency and greenhouse gas reduction by 2030, this project supports those goals.

Board Discussion:

Board Concurrency: YES NO If no, state justification:

Criteria #5: The Project is included in one of the Agency’s strategic industries: Agri-Business and Food Processing, Manufacturing, Advanced Manufacturing and Nano-Enabled Manufacturing, Life Sciences and Medical Device.

Project details: The company is a “downstream” developer/installer of Photovoltaic (solar) energy generation systems which is a target industry cluster / strategic industry focused on by the Agency to attract Photovoltaic (solar) manufacturing at STAMP.

Board Discussion:

Board Concurrency: YES NO If no, state justification:

Criteria #6: The Project will give a reasonable estimated timeline for the completion of the proposed project.

Project details: The project is planning to begin construction in Spring of 2022 and be operational by end of 2022.

Board Discussion:

Board Concurrency: YES NO If no, state justification:

**Significant Events:**

1. **Restricted Cash** - Includes cash deposited by ESD into imprest accounts related to the $8M and $33M STAMP grants. Expenditures out of these accounts are pre-authorized by ESD. Also included are funds received from the County per a Water Supply Agreement, to be put towards water improvements located in the Town of Alabama and the Town of Pembroke and other Phase II improvements as identified by the County. These funds are being used to pay for qualifying expenditures.

2. **Grants Receivable** - National Grid grants support marketing and development activities for STAMP and the LeRoy Food & Tech Park.

3. **Accounts Receivable (Current)** - Econ. Dev. Program Support Grant; MedTech Centre Property Management; termed out Project Origination Fees from HP Hood to be collected in the next 12 months.

5. **Land Held for Dev. & Resale** - Additions are related to STAMP development costs.

6. **Accounts Receivable - Non-current** - Termed out Project Origination Fees from HP Hood that will not be collected within 12 months of the Balance Sheet date.

7. **Accounts Payable** - e3communications expense and unpaid 2020 STAMP expenses that were paid in April 2021.

8. **Loan Payable** - Genesee County (Current & Noncurrent) - Per a Water Supply Agreement with Genesee County, the County remitted $4M to the GCEDC to put towards water improvements located in the Town of Alabama and the Town of Pembroke and other Phase II improvements as identified by the County. GCEDC started making annual payments to the County of $448,500 beginning in January 2020.

9. **Unearned Revenue** - Interest received in advance; Genesee County contribution received in advance; Funds received from municipalities to support park development; Funds received to support workforce development; ESD Grant funds to support STAMP development, not actually earned until eligible expenditures are incurred.

10. **Loans Payable** - ESD - Loans from ESD to support STAMP land acquisition and related soft costs.

11. **Deferred Pension Outflows / Aggregate Net Pension Liability / Deferred Pension Inflows** - Accounts related to implementation of GASB 68.

(A) Restricted Cash = Municipal Funds, RLF #2 Funds, Grant Funds Received in Advance.

(B) Reserved Cash = RLF #1 Funds (defederalized).

Approval of mowing contract for GCEDC properties

Discussion: The GCEDC asked five companies for bids to mow the properties we have acquired at STAMP and the entrance sign to STAMP. The results of the bids are as follows based on 5 mows in the season:

1. $2,000 – S&S Excavating & Blacktop, Inc.
2. $2,475 – Scalia’s Landscaping
3. $3,650 – Versa Scape
4. Declined to bid – McKenzie Landscaping
5. Declined to bid – Bubba’s Landscaping

Fund Commitment: Not to exceed $2,000.

Board Action Request: Approval of mowing contract for STAMP properties to S & S Excavating & Blacktop, Inc. not to exceed $2,000.
Finish pond construction and drainage work at Apple Tree Acres

Discussion: In September of 2020, the GCEDC and Liberty Pumps, Inc. signed an MOU outlining the scope of work each entity would be responsible for regarding the digging of a new stormwater pond on GCEDC property and the filling in of an existing stormwater pond on Liberty Pumps property. Liberty Pumps informed the GCEDC that they had completed their work. The GCEDC went out to bid with our defined scope of work from the MOU. While out to bid, it became apparent that the majority of the scope of work that was to be performed by the GCEDC had already been completed. The bids were cancelled prior to the opening date. A quote was obtained from a contractor who had performed the original work to complete the project. That quote was $3,185.

Fund Commitment: Not to exceed $3,185.

Board Action Request: Approval of earthwork construction contract in the amount of $3,185 to Dilcher’s Excavating and Contracting.

GGLDC Board Member Appointments

Mary Ann Wiater and Gregg Torrey have terms ending on 6/30/21. The information below is provided for discussion.

- Gregg Torrey was appointed to the GGLDC Board on 1/19/17 to fulfill Wally Hinchev’s term.
- Mary Ann Wiater was appointed to the GGLDC Board on 8/2/13 with a term end date of 6/30/17 (coterminous with her GCEDC term). She was then reappointed in 2017 to fulfill Matt Gray’s GGLDC term.
- When the GCEDC approved term limits for the GGLDC, there was no mention of how many terms would be allowed.

In 2014, the GCEDC Board approved GGLDC Board Member term limits as follows:

- Four of the nine board positions will be independent of the GCEDC Board. Those four members will have 6 year terms.
- Five of the nine board positions will be held by GCEDC board members; coterminous with GCEDC appointments. Those five board positions will be filled with the four most senior members of the GCEDC board AND legislative liaison OR the four most senior members of the GCEDC board AND any member that is chosen based on current circumstances at the time of vacancy.

Re: Amendment to STAMP Site Development Environmental Services and Support Contract

Dear Mark:

As discussed, this letter serves as a proposed second amendment to the STAMP Site Development Environmental Services and Support Contract agreement executed on March 8, 2019 between CC Environment & Planning and Genesee County Economic Development Center and amended January 31, 2020 (both attached for reference).

The original contract amount was $35,457. Of this amount, $14,376 was billed in 2019 and the remaining $21,081 was billed in 2020. This amendment reflects a proposal to extend the contract for the calendar year 2021 to provide continued environmental review and permitting services for a not to exceed amount of $10,000. This contract continues to be structured as a not to exceed and will be billed based on time and expenses. This amendment letter does not otherwise alter the purpose or specific provision of the original agreement.

ACCEPTANCE
The signatures below indicate acceptance of this amendment as stated above,

Sincerely,

Re: STAMP Site Development Environmental Services and Support

Dear Mr. Battaglia:

I am pleased to submit the following proposal for CC Environment & Planning to provide continued environmental review, planning, and technical support services toward development of the Science & Technology Advanced Manufacturing Park (STAMP) in the Town of Alabama, Genesee County, NY. The development of the STAMP site is an impressively complex undertaking triggering multiple regulatory reviews by local, state, and federal agencies and coordination with the adjacent Tonawanda Seneca Nation. Due to the scope and complexity of STAMP, environmental reviews and permitting are lengthy and often unpredictable processes.

As a member of the STAMP Technical Team since its inception, CC Environment & Planning has the background, project expertise, and regulatory relationships to deliver the services described below in the most effective and efficient manner possible. I am proposing to combine multiple, ongoing services for STAMP under one annual contract. In return, for the efficiency and predictability one annual contract can provide, CC Environment & Planning offers the services described below on a time and materials basis at reduced hourly rates. We are looking forward to continuing our work with Genesee County Economic Development Center and the other members of the Technical Team as we continue to advance site development toward STAMP’s first tenant!

This Letter Agreement (hereinafter referred to as “Agreement”) is a proposal for consulting services by CC Environment & Planning (hereinafter named as “Contractor”) for Genesee County Economic Development Center. (hereinafter referred to as “Client”). This Agreement shall commence upon signature. The following services and terms of the Agreement between the Client and the Contractor are as follows:

Objective
The overall objective of this proposal is to assist with design, review, planning, and permitting activities to enable on and off-site infrastructure development and site construction. Services are described below.
Scope of Services

1. Onsite Regulatory, Industry, Permitting and Land Management Support

   a. Assist STAMP Tech Team with onsite project design. Activities include review of conceptual designs, environmental review, impacts and alternatives analysis, coordination and participation with regulatory staff, facilitation of regulatory review and approvals. Continue to coordinate ongoing regulatory review of the STAMP Joint Permit Application, provide response to any future requests for additional information and advance any additional permits and review applications as needed during site preconstruction phase. Assist with any required State Environmental Quality Review (SEQR) updates.

   **Task 1a. Deliverable:** Monthly updates; digital and hard copy documentation of reviews and correspondence, written narrative, mapping and data to support any required update documents.

   b. Assist with the management of the STAMP site in accordance with the Land Management Plan. The Land Management Plan is to be implemented throughout construction and following site development in accordance with the SEQR Final Generic Environmental Impact Statement and Findings. Services include coordination of a 2019 annual work plan, addressing active agriculture and conservation buffer establishment, maintenance of drainageways, invasive species reviews, and assistance with any public use issues.

   **Task 1b. Deliverable:** Monthly updates; digital and hard copy 2019 Annual Work Plan and priorities.

   c. Assist with coordination and review of the Tonawanda Seneca Nation TCP (Traditional Cultural Properties) process as needed including review of the final TCP proposal, TCP report, integration of the TCP report with Site environmental and archeological data, and impact analysis.

   **Task 1c. Deliverable:** Monthly updates; digital and hard copy documentation of reviews and correspondence.

2. Offsite Regulatory, Industry, and Permitting Support:

   a. Assist STAMP Tech Team with offsite project design and reviews. Activities include review of conceptual designs, environmental review, impacts and alternatives analysis, coordination and participation with regulatory staff, facilitation of regulatory review and approvals. Provide environmental review of offsite aquatic resources and coordinate cultural resource investigations as needed, develop and coordinate reviews of permit applications. Activities may include field mapping, conditions assessments, and impact analysis of wetlands and streams along water/wastewater routes, coordination of Phase IA and Phase IB cultural resource investigations and SHPO clearance along water/wastewater routes. Provide continued services to complete U.S. Fish and Wildlife Service Right-of-Way Permit application and review including public review of
the Environmental Assessment, compatibility determination, and responses to requests for additional information.

**Task 2a. Deliverable:** Monthly updates; environmental and Phase IA/IB cultural resource investigation reports, permit applications, and review correspondence.

**FEE/SCHEDULE**

Services under this agreement are offered as described through December 2019 and beginning January 1, 2019 or upon execution of this contract, whichever is later. The Contractor proposes to provide the above scope of services and associated deliverables on a time and materials basis at reduced rates (see Attachment A). An estimated budget as a not to exceed annual contract fee is $35,457. Budget details by task are provided in the table below. Invoices will be submitted monthly based on actual time and materials along with a monthly update identifying associated activities.

**CONDITIONS**

The contractor guarantees the quality of this work. Once this offer is accepted payments are to be made at times specified upon presentation of an invoice by contractor. However, the Client and the Contractor may mutually decide to reschedule, postpone or delay this project as business needs may suddenly dictate without penalty and without time limit, subject only to mutually agreeable time frames in the future.

**ASSUMPTIONS**

The proposed schedule and fees for this project are based on the following assumptions:

1. The Client and the STAMP Technical Team will provide appropriate, timely access to contacts and information and provide requested feedback necessary to complete the scope of services as described.

2. All parties will make every effort to ensure timely answers to questions as related to the scope of services and progress.
3. All parties will inform each other immediately of any unforeseen changes, new developments, or other issues that affect and influence this project, so necessary adjustments can be made.

4. **Not to exceed estimates do not include subcontractor fees** for reviews such as offsite cultural resource investigations or onsite management actions. These would be evaluated individually and covered under an amended contract or under a direct contract between the Client and a separate entity or entities.

5. In acknowledgement of the unpredictable and lengthy regulatory review phase of this project, additional services beyond those budgeted or beyond the time period stated above, as well as any outside the stated scope, will require negotiation of additional fees and written consent of both parties.

**ACCEPTANCE**

If this proposal meets with your approval, please countersign below and return one copy for our records. If you have any questions, please contact me. We appreciate the opportunity to provide you with these services and continue development of STAMP.

Sincerely,

Sheila S. Hess, Principal Ecologist/CEO

Re: Amendment to STAMP Site Development Environmental Services and Support Contract

Dear Mark:
As discussed, this letter serves as a proposed amendment to the STAMP Site Development Environmental Services and Support Contract agreement executed on March 8, 2019 between CC Environment & Planning and Genesee County Economic Development Center (attached for reference).

The original contract amount is $35,457. Of this amount, $14,376 was billed in 2019. This amendment reflects a proposal to extend the contract for the calendar year 2020 for the remaining balance of the contract, which is $21,081. Due to the uncertain nature of regulatory review and requirements, this contract continues to be structured as a not to exceed and will be billed based on time and expenses. This amendment letter does not otherwise alter the purpose or specific provision of the original agreement.

ACCEPTANCE
The signatures below indicate acceptance of this amendment as stated above.

Sincerely,

Sheila S. Hess, Principal Ecologist/CEO

Recommendation for award on force main Contract B

Discussion: A total of six (6) bids were received for Contract B: North Area, which consists of installing 18,300 LF of 18-inch and 20-inch force main via open cut (14,400 LF) and directional drilling (3,900 LF) methods, along NYS Route 63, from the northern Refuge boundary to the Oak Orchard discharge location north of Shelby Center. Due to regulatory agency requirements, this contract has restrictive timelines. The work must be substantially complete within 180 days. Work may only take place between Oak Orchard Creek and Fletcher Chapel Road (1,800 LF in Contract B) between August 15 and October 31.

The low bid for Contract B: North Area was submitted by Highlander Construction, Inc. of Memphis, New York in the amount of $5,193,445.00. We have reviewed their qualifications and have discussed their bid in detail. We feel the bid received is a true representation of the costs to complete this project and that the contractor is qualified to complete the contract.

The GCEDC currently has approximately $2,600,000 that could be committed to this work. Due to the very restrictive annual time constraints for this contract, the level of effort required to obtain the many required agency approvals, and the amount of work remaining at STAMP to make it shovel ready for tenants, we recommend that the GCEDC award and complete as much of this contract as current funding allows.

Fund Commitment: Not to exceed $2,600,000 covered under the $33 million.

Committee Action Request: We recommend the GCEDC Board pass a resolution “Accepting the bid received from Highlander Construction, Inc. of Memphis, New York in the amount of $5,193,445.00, and authorizing a Deduct Change Order No. 1 in the amount of $2,593,445.00, for a total Contract B Award Amount of $2,600,000.00, contingent upon contract approval from NYS Empire State Development.”.

RE: STAMP FORCE MAIN
CONTRACT B: NORTH AREA
CPL PROJECT NO.: 15981.00
RECOMMENDATION FOR AWARD

Dear Mark:

The bids for the above referenced project were opened on March 12, 2021. Bids were opened for two areas: Contract A: Central Area and Contract B: North Area. A copy of our bid tabulation is enclosed for your information and review.

On March 25, 2021, the GCEDC Awarded Contract A: Central Area to G. DeVincenzi & Son Construction Co., Inc. in the amount of $9,777,000.00 due to its high priority and its very restrictive annual time constraints. At that time, the GCEDC delayed decision for Contract B: North Area in order to evaluate available funding and overall STAMP project priorities.

A total of six (6) bids were received for Contract B: North Area, which consists of installing 18,300 LF of 18-inch and 20-inch force main via open cut (14,400 LF) and directional drilling (3,900 LF) methods, along NYS Route 63, from the northern Refuge boundary to the Oak Orchard discharge location north of Shelby Center. Due to regulatory agency requirements, this contract also has restrictive timelines. The work must be substantially complete within 180 days. Work may only take place between Oak Orchard Creek and Fletcher Chapel Road (1,800 LF in Contract B) between August 15 and October 31.

The low bid for Contract B: North Area was submitted by Highlander Construction, Inc. of Memphis, New York in the amount of $5,193,445.00. We have reviewed their qualifications and have discussed their bid in detail. We feel the bid received is a true representation of the costs to complete this project and that the contractor is qualified to complete the contract.

It is our understanding that the GCEDC currently has approximately $2,600,000 that could be committed to this work. Due to the very restrictive annual time constraints for this contract, the level of effort required to obtain the many required agency approvals, and the amount of work remaining at STAMP to make it shovel ready for tenants, we recommend that the GCEDC award and complete as much of this contract as current funding allows.

We recommend the GCEDC Board pass a resolution “Accepting the bid received from Highlander Construction, Inc. of Memphis, New York in the amount of $5,193,445.00, and authorizing a Deduct Change Order No. 1 in the amount of $2,593,445.00, for a total Contract B Award Amount of $2,600,000.00, contingent upon contract approval from NYS Empire State Development.”

Please notify us when this award is approved. The Notice of Award will then be forwarded to the Contractor, along with copies of the Agreement and other documents for their execution. When returned,
the executed agreements will be sent to GCEDC for your signature. This process generally takes two (2) weeks.

CPL looks forward to working with you and the Contractor to successfully complete this project. If you have any questions or require additional information, please contact me directly.

Very truly yours,

CPL

Discussion: As part of the STAMP development and the neighboring Tonawanda Seneca Nation, in accordance with Section 106 for the wetland permits, the GCEDC is working with the Tonawanda Seneca Nation on an assessment of the TCP potentials as it relates to the criteria for eligibility of listing on the National Historic Register. On March 6, 2018 the GCEDC Board approved a $2,500 not to exceed amount to KTA Preservation Specialists for work related to the TCP. This work would be to assist the GCEDC in the development of an analysis of any potential impacts that the WWTF could have on the Seneca Nation. This work had not been completed or started yet. With Plug Power committing to the STAMP site the GCEDC needs to complete an analysis for their project as well. KTA Preservation Specialists has revised their original proposal to increase the scope of work to include the Plug Project and is seeking to increase their contract from $2,500 to $7,200.

Fund commitment: Not to exceed $7,200, included in the $33 million, under the regulatory, industry and permitting support budget line item.

Committee action request: Recommend approval of consultant contract with KTA Preservation Specialists for evaluation of TCP issues.

RE: Consultation – Preparation of Two Cultural Resource Screening Reports (Historic Resources)

Dear Mr. Masse,

The Genesee County Economic Development Center ("GCEDC") plans to develop the Western New York Science & Technology Manufacturing Park (STAMP) on approximately 1,261.7 acres of land (Project) in the town of Alabama, New York. The STAMP Site is within the Tonawanda Seneca Nation's ancestral territory and adjacent to its treaty-protected, federally-recognized Reservation (Nation's Territory). The United States Army Corps of Engineers, Buffalo District (the Corps), in consultation with the New York State Office of Parks, Recreation and Historic Preservation State Historic Preservation Office (SHPO) has determined the proposed project's Area of Potential Effects (APE) are parcels where the character or use of historic properties, if any exist, may be altered by the associated development. It has also been determined that additional development at the STAMP Site outside of the APE may have direct and/or indirect adverse effects on historic properties. A Traditional Cultural Property (TCP) investigation is being undertaken by others to evaluate the eligibility of the Nation's Territory for listing on the National Register of Historic Places (National Register). Archaeological investigations have been conducted to evaluate and identify archaeological properties on the STAMP Site. A Letter of Resolution (LOR) between the New York State Department of Conservation (DEC), SHPO, and the GCEDC has been executed.

Kta preservation specialists proposes the following scope of work for the preparation of two Cultural Resource Screening Reports (Reports) to identify potential National/State Eligible historic resources (buildings, sites, objects, structures, districts) within 0.5 miles of the western STAMP boundary adjacent to the Tonawanda Seneca Reservation. In this way potential direct and/or indirect adverse effects on historic resources can be evaluated from two proposed STAMP development projects: a wastewater treatment plant to serve the STAMP Site and STAMP's first proposed tenant, Plug Power which will build and operate a

https://www.kta-preservation.com/
hydrogen production facility. The Reports will also identify applicable National Register Criteria and how the proposed project impacts may affect those criteria.

Report Work Scope

The Reports will be conducted using a methodology in accordance with the New York State Education Department's *Work Scope Specifications for Cultural Resource Investigations* (NYSED 2004). The methodology and criteria used to evaluate properties are codified in the *Code of Federal Regulations, Title 36: Part 60* and reprinted in the National Park Service Publication *National Register Bulletin 15: How to Apply the National Register Criteria for Evaluation*. The guidelines followed for the evaluation and identification of National Register Eligible properties/districts are contained in the National Park Service Publications *Standards and Guidelines for Evaluation; Standards and Guidelines for Identification; and Guidelines for Local Surveys: A Basis for Preservation Planning*. The historic resources survey of the properties will be conducted through archival and literature searches, and historic map analysis. (Note: field investigation will not be conducted on the Tonawanda Creek Reservation.) The intent is to identify guidelines and criteria of specific relevance to the history and property types in the study area. By applying the strict rigor of the Department of the Interior (National Park Service), in addition to state and local criteria for evaluation, a comprehensive survey of the historic resources will be produced.

The Historic Context section of the Report will be a thorough study and analysis of the historic trends and themes that influenced social, cultural, economic, political, and industrial growth and development in the study area on a local, state, national, and international level. How these developments were manifest in the built environment will be studied using an historic map analysis of the project area to identify broad development patterns that can then be evaluated in conjunction with the historic trends and themes identified. Archival and literature research, and site file searches of local and state resources including, but not limited to, NYS-OPRHP, Local History Archives, and in the City Planning and Engineering Departments will facilitate study of the historic context.

The study and analysis of historic trends and themes, in conjunction with historic and contemporary map analysis will provide the information necessary to evaluate the properties applying all of the National Register Eligibility Criteria to determine both individually potentially eligible properties, and the potential for a historic district.

Analysis of the information using maps and charts will be conducted to determine the number and distribution of resources. Having completed the Report, the investigator will note the existing condition of the property and potential direct and/or indirect impacts from the proposed project.

Project Tasks

- Review Reports completed (archaeology; environmental) (4 hours)
- Historic Research (24 hours)
  - Literature Review
  - Site File Search
  - Archival Research
- Define Criteria & Guidelines (2 hours)
- Map Properties (4 hours)
- Analysis of Information to Develop Historic Context & Significance (4 hours)
- Draft Report (two reports) (14 hours)
- Final Report (two reports) (6 hours)
- Consult with SHPO (2 hour)

Total Hours: 60

Deliverables

- Submission electronic copy of two Reports to GCEDC

The Report scope does not include any existing conditions documentation except as described above. The above hourly estimate represents a ‘not to exceed’ number. Any significant increase in the number of hours allotted for each task or additional scope must be approved by GCEDC.

The anticipated fee for the preparation of two Cultural Resource Screening Report for the STAMP Site project, including 0.5 miles to the west of the western STAMP Site boundary is Seven Thousand Two Hundred dollars ($7,200.00).

Sincerely yours,

Kerry L. Traynor
Preservation Specialist

Change order for Morsch contract for Pembroke line

Discussion: During construction of the Pembroke line, Morsch Pipeline has run into some unforeseen and unknown issues. One of the issues was sections of rock that were not found during the test bore drillings that were done prior to contracting. There was also one section of rock that was known, but had archeological issues so the plan was to directional drill through the rock. The rock proved to be too difficult to directional drill through so a switch was made to open trench cut that section, but the archeological issue needed to be cleared first. The change order reflects the two items listed above.

Fund Commitment: Not to exceed $59,945 covered under the County funds.

Committee Action Request: We recommend the approval of change order number 2.
**Date of Issuance:** April 28, 2021  
**Effective Date:** April 28, 2021

Additional description narrative:

During the design of the GCEDC STAMP Offsite Water Main – Phase 4 project CPL reviewed the United States Geological Survey (USGS) for the water main route along NYS Route 77. This review did not show any significant rock formations along NYS Route 77, only a small band crossing the proposed water main path south of Ledge Road. CPL retained SJB to perform a subsurface investigation along the proposed water main path which agreed with the USGS data, showing only a grouping of cobbles or loose rock south of Ledge Road.

During construction, Morsch Pipeline’s drilling subcontractor Turner Underground encountered a substantial rock formation while attempting to drill below the Klotzbach Archaeologically Sensitive Area (ASA). A test pit was dug to determine if this was a large cobble or solid rock, which solid rock was found at a depth of approximately 30-inches below grade. An attempt was made to drill from the north side of the Area and rock was found at a depth of approximately 24-inches and the drill was not able to progress further. After several attempts to drill, it was determined that the standard drilling methods would not be capable of crossing the rock formation.

While waiting to determine the course of action for the Klotzbach ASA, Turner moved to the Kreher ASA and encountered similar difficulties with rock depths of 30 and 36-inches below grade. Morsch and CPL completed several test pits along the water main path and found bedrock as shallow as 24-inches below surface grade within the Kreher and Klotzbach ASA.

Morsch and Turner provided two options at this time: Continue with directional drilling as a “Rock Drill” which would increase the unit price from $199.20/LF to $555/LF or begin coordination with SHPO and the Seneca Nation for a Phase 2 Archaeologic Study to allow for open cut (trenched) installation of the water main in the ASA. Based upon the limited project budget, CPL recommended to GCEDC that coordination for the Phase 2 Study be undertaken, which was completed in December 2020 by Deuel Archaeologic and Morsch Pipeline. The additional cost for the work completed by Deuel Archaeologic and Morsch Pipeline is $13,295.00.

Based upon the test pits conducted over the remaining project path between the Klotzbach ASA and Phelps Road, we’re estimating that there is an additional 1,500 cubic yards of rock to be removed.

\[
\begin{align*}
\text{NYS Route 77:} & \quad \text{Sta. AS127 to AS135 = 800 ft} \times 4\text{ft} \times 3\text{ft} \times 3\text{ft} = 9,600 \text{ CF} = 355 \text{ CY} \\
& \quad \text{Sta. AS107 to AS115 = 800 ft} \times 3\text{ft} \times 3\text{ft} \times 3\text{ft} = 7,200 \text{ CF} = 267 \text{ CY} \\
\text{Estimated rock remaining} & \quad 622 \text{ CY}
\end{align*}
\]

Morsch Pipeline has agreed to maintain their unit price of $75 per cubic yard for rock removal for an additional increase of $46,650.00.

The total increase of cost for this Change Order is $59,945.00.

Phase II Site Evaluation of the Kreher Precontact Site and the Klotzbach Precontact Site for the GCEDC STAMP Off-Site Water – Phase 4 Project, Town of Alabama, Genessee County, New York.

SCOPE OF SERVICE

- Notify the Seneca Nation of Indians, the Tonawanda Seneca Nation, and the NYSOPRHP of upcoming fieldwork in the event a representative wishes to observe.
- **Field Investigation – Part 1:** excavate 50 cm square shovel test pits at 5-meter intervals in portions of the Kreher and Klotzbach sites; if significant archaeological deposits or features are encountered in the shovel tests pits, the tests will be expanded into 1 x 1 meter units (the cost of excavating 1 x 1 meter units is not included in this scope); prepare plans and profiles of any features identified in the shovel test pits; photograph field conditions, field methodology, potential features, and any areas of prior ground disturbance.
- **Field Investigation – Part 2:** mechanical soil stripping for 91 meters at the Kreher site and 38 meters at the Klotzbach site in the presence and under the direction of the archaeologists (cost of backhoe and operator not included in this scope); the interface between the topsoil and subsoil will be hand-cleaned by the principal investigator and field technicians with an aluminum placer, hoe, and/or trowel; if a soil stain is encountered, the potential feature will be photographed, mapped, bisected, and the soil in one half of the feature will be excavated in natural stratigraphic layers, or if soil layers are indistinct, soil will be excavated in 10 cm levels to determine the cause of the soil stain; if the soil stain is determined to be an archaeological feature, the feature fill will be saved for flotation samples, and intact feature fill samples will be recovered with a bucket and shovel to preserve fragile plant and animal remains; if potential human remains, Native American burial features and associated artifacts, or rectangular, coffin-sized soil stains are encountered, the NYSOPRHP’s Human Remains Discovery Protocol and the Haudenosaunee Human Remains Protocol will be implemented; upon discovery of human remains, all work in the general area of discovery will stop immediately and the location will be secured and protected from damage and disturbance; human remains and associated artifacts will be left in place and not disturbed; the county coroner/medical examiner, local law enforcement, the NYSOPRHP, and the involved Tribal Nation(s) will be notified immediately; any human remains will be left in place and protected from further disturbance until a plan for their avoidance or removal can be generated.
- Plot locations of shovel test pits, soil strips, potential features, photographs, and prior ground disturbances on project maps.
• Artifacts will be collected for laboratory analysis. Modern debris and non-diagnostic historic artifacts will be recorded in the field and re-deposited. Any artifacts collected will be cataloged, processed, analyzed, and temporarily stored in the laboratory facilities at DACRM. The final disposition of collected materials will be determined following the Phase II site evaluation.
• Summarize the field investigation and artifact assemblage; use the data to contextualize the Kreher and Klotzbach sites.
• Determine the National Register eligibility of the Kreher and Klotzbach sites.
• Update the NYSOPRHP site forms for the Kreher and Klotzbach sites.
• Incorporate data from field investigation into digital Phase II site report.
• Submit digital copy of the report to the NYSOPRHP and the involved Tribal Nation(s) for review and comment.
• Provide a digital copy of the report to the GCEDC and CPL.

**COST**

$9,495 (due upon receipt of invoice)

Phase II fieldwork will be scheduled as ground conditions permit. All archaeological work will be conducted in compliance with the *Standards for Cultural Resource Investigations* (NYAC 1994) adopted by the New York State Office of Parks, Recreation and Historic Preservation. If additional work is required beyond this scope, a scope of service increase will be submitted. To authorize the Phase II Site Evaluation, please return a signed copy of the proposal.
