

Financial Support Programs

LandPro Equipment

PROPERTY TAX ABATEMENT

The Genesee County Economic Development Center (GCEDC) can assist businesses locating and expanding in Genesee County with a Payment in Lieu of Taxes (PILOT).

A PILOT agreement covers a set schedule for property-tax type payments made to Genesee County and a project's municipality and school district.

SALES TAX EXEMPTION

The GCEDC can assist businesses locating and expanding in Genesee County with sales tax incentives that exempt the 8% sales tax on non-production equipment and construction materials.

MORTGAGE TAX EXEMPTION

The GCEDC can assist businesses locating and expanding in Genesee County with a mortgage tax exemptions covering 80% of the costs generated by the 1.25% mortgage recording tax.

BUSINESS LOANS

The Genesee Gateway Local Development Corporation (GGLDC) can assist businesses pursuing manufacturing, commercial, mixed-use and redevelopment projects through the GCEDC's GGLDC's Revolving Loan Funds.

Since 2003, the GCEDC and our affiliates have supported **500+** Projects, **\$2 Billion+** of Capital Investment, and **5,000+** Pledged Jobs.

"The Genesee County Economic Development Center has been an instrumental partner in making this project come to fruition; their team stepped up to ensure LandPro Equipment was well positioned to succeed in the community."
