4.1 June 2020 Financial Statements - L. Farrell noted the following:

- On the Balance Sheet, unrestricted cash for MedTech Centre at the end of June is about \$356,000. These funds can be used to pay for expenses related to repairs to the building because of the water damage. We anticipate receiving reimbursement from the insurance company or the roofing company.
- Most balances on the Balance Sheet for the end of June are similar to balances at the end of May. There was an increase to Rent Received in Advance and Accounts Payable. The MedTech Centre Property Management Fee and Economic Development Support Grant is due to the EDC.

- In Buffalo East Tech Park, a payment was made from Community Benefit Agreement funds for the Corfu Wastewater Treatment Facility Construction Expansion.
- Monthly activity is as expected for MedTech Centre.

This was recommended for approval by the Committee.

1. Perform consulting services to assist in the development and implementation of workforce development programs and training initiatives relative to the goals of the Company and its affiliates.
2. Consult with the VP of Business Development of the GCEDC and staff relative to the application, development and deployment of its workforce programs.

This contract is not to exceed \$29,800 between the GGLDC and GCEDC and was included in the GGLDC budget to be paid by Strategic Investment funds.

This was recommended for approval by the Committee.

4.3 MTC – Adecco Lease Buyout – In March of 2020, the GGLDC entered into a three-year lease agreement with Adecco USA, Inc. to lease 820 square feet of office space within the MedTech Centre. As

a result of Covid-19 and some corporate restructuring, they are requesting to cancel their lease with the GGLDC. Section 35 of the lease agreement states the following:

35. Termination, Modifications and Amendments – Landlord and Tenant agree not to terminate, materially modify or materially amend this Lease Agreement or any of the terms thereof, or to grant any concessions in connection therewith, either orally or in writing, or to accept a surrender thereof, without the prior written consent of the Landlord and Tenant. Any attempted termination, modification or amendment of this Lease Agreement without such written consent shall be null and void.

Adecco USA, Inc. has sent, via email, a written request for the GGLDC to terminate the lease. They have agreed to pay the GGLDC the full amount of the base rent (not including CAM charges), that would have been due over that three-year period. The base rent is \$15.50 per square foot, so the three-year total amounts to \$38,130.

Under Section 20 of the Lease, the GGLDC is entitled to any items in space that the Tenant leaves behind. They have offered the GGLDC any of the furniture in the space. Upon inspection, there are three desks, chairs, and filing cabinets that would be useful to have and create almost a turn-key office. If another tenant decides to lease the space and does not want the furniture, the GGLDC would have to remove it.

P. Zeliff made a motion to terminate the lease agreement with Adecco, USA Inc. with payment of \$38,130, pending review and approval from legal counsel; the motion was seconded by P. Battaglia. Roll call resulted as follows:

T. Felton -	Yes	S. Noble-Moag -	Yes
D. Cunningham -	Yes	P. Battaglia -	Yes
T. Bender -	Yes	C. Yunker -	Yes
G. Torrey -	Yes	M. Wiater -	Yes
P. Zeliff -	Yes		

The item was approved as presented.

4.4 Parking Lot Resealing and Restriping Contract – The GGLDC sealed and striped the parking lot in 2016. The GGLDC is trying to do this every three to four years. The GGLDC received three proposals for resealing and restriping the parking lot at the MedTech Centre. The amounts received were as follows:

1. Monroe Sealers - \$14,200.00
2. Yasses Trucking & Construction – did not respond to inquiry
3. Pro Seal - \$9,000.00
4. Western NY Sealing & Paving - \$9,397.00

The GGLDC had included a budget amount of \$17,750 in the 2020 budget for this work.

Fund commitment: \$9,000 from operational funds of MedTech Centre.

M. Masse requested a detailed estimate from Pro Seal to include prevailing wage. The Committee recommends awarding the contract to Pro Seal contingent upon receipt of a detailed estimate. If a detailed estimate is not provided by Pro Seal, or if there are changes when received, the Committee recommends proceeding with the second lowest bidder, Western NY Sealing & Paving, in an amount not to exceed \$9,400.00,

M. Wiater made a motion to approve the parking lot resealing and restriping contract as presented above; the motion was seconded by G. Torrey. Roll call resulted as follows:

T. Felton -	Yes	S. Noble-Moag -	Yes
D. Cunningham -	Yes	P. Battaglia -	Yes
T. Bender -	Yes	C. Yunker -	Yes
