MedTech Centre Building lease termination request

Discussion: In March of 2020, the GGLDC entered into a three year lease agreement with Adecco USA, Inc. to lease 820 square feet of office space within the MedTech Centre. As a result of Covid-19 and some corporate restructuring, they are requesting to cancel their lease with the GGLDC. Section 35 of the lease agreement states the following:

35. Termination, Modifications and Amendments – Landlord and Tenant agree not to terminate, materially modify or materially amend this Lease Agreement or any of the term thereof, or to grant any concessions in connection therewith, either orally or in writing, or to accept a surrender thereof, without the prior written consent of the Landlord and Tenant. Any attempted termination, modification or amendment of this Lease Agreement without such written consent shall be null and void.

Adecco USA, Inc. has sent, via email, a written request for the GGLDC to terminate the lease. They have agreed to pay the GGLDC the full amount of the base rent (not including CAM charges), that would have been due over that three year period. The base rent is $15.50 per square foot, so the three year total amounts to $38,130.

Under Section 20 of the Lease (attached) the GGLDC is entitled to any items in space that the Tenant leaves behind. They have offered the GGLDC any of the furniture in the space. Upon inspection, there are three desks, chairs, and filing cabinets that would be useful to have and create almost a turnkey office. If another tenant decides to lease the space and does not want the furniture, the GGLDC would have to remove it.

Fund commitment: None.

Board Action Request: Approval of terminating lease agreement with Adecco USA, Inc. for the payment of $38,130.
aforesaid. Neither the failure or refusal of Landlord to re-let the Leased Premises or any part or parts thereof nor, in the event that the Leased Premises are re-let, the failure of Landlord to collect the rent under such re-letting shall release or affect Tenant’s liability for damages, and Landlord shall not in any way be liable for same, but, if Landlord fails to collect such rent, Tenant is hereby authorized to collect the same and apply the same to any indebtedness owing to Landlord. Any such damages shall be paid in monthly installments by Tenant on the rent days specified in this Lease Agreement and any suit brought to collect the amount of the deficiency for any month or months shall not prejudice in any way the rights of Landlord to collect the deficiency for any subsequent month or months by a similar proceeding. Any such action may be an action for the full amounts of all rents then due or to be due, and all damages then suffered or to be suffered by, Landlord. Mention in this Lease Agreement of any particular remedy shall not preclude Landlord from resorting to any other remedy, in law or in equity. The foregoing remedies and rights of Landlord are cumulative. Tenant expressly waives any and all rights of redemption granted by or under any present or future laws in the event of Tenant’s eviction or dispossession for any cause. Notwithstanding the foregoing, Landlord hereby covenants and agrees with Tenant to make commercially reasonable efforts to mitigate Landlord’s damages in connection with any Event of Default under this Lease.

(e) Upon the occurrence of an Event of Default by Landlord, Landlord shall cure said default with thirty (30) days of receipt of notice from Tenant. In the event the default cannot be reasonably cured within the said thirty (30) day period the Landlord shall not be considered in default by reason of non-compliance of the thirty (30) day timeframe requirement. In the event Landlord does not timely cure said default then Tenant shall have all remedies available at law and in equity.

19. Failure to Insist on Strict Performance. The failure of Landlord to insist, in any one or more instances, upon a strict performance of any covenant, term, provision or agreement of this Lease Agreement shall not be construed as a waiver or relinquishment thereof, but the same shall continue and remain in full force and effect, notwithstanding any law, usage or custom to the contrary. The receipt by Landlord of rent with knowledge of the breach of any covenant or agreement hereunder shall not be deemed a waiver of the rights of Landlord with respect to such breach, and no waiver by Landlord of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Landlord.

(a) Tenant shall, upon the termination of this Lease Agreement, by lapse of time or otherwise, return the Leased Premises to Landlord in as good condition as when received, loss by fire or other unavoidable casualty and reasonable wear and tear excepted. It is understood and agreed that the exception made as to “loss by fire or other unavoidable casualty” does not include damages, fires or casualties caused or contributed to by the act or neglect of Tenant, its servants, agents, employees, invitees or licensees, and not compensated for by insurance. Tenant shall surrender all keys to the Leased Premises and inform Landlord of all combinations on locks, safes and vaults therein.

(b) All installations, additions, fixtures, and improvements in or upon the Leased Premises, whether placed there by Landlord or Tenant, including, without limitation, paneling, decoration, partitions, railings, carpeting and flooring, shall, at Landlord’s option,
become the property of Landlord and shall remain upon the Leased Premises at the termination of this Lease Agreement without compensation, allowance or credit to the Tenant; provided, however, Tenant shall have the option of removing any trade fixtures which it installed in or upon the Leased Premises prior to the expiration of, or within thirty (30) days after the termination of, this Lease Agreement, but Tenant shall remain responsible for repairing any damage caused to the Leased Premises by such removal.

(c) Any furniture, equipment, machinery or movable property owned by Tenant and brought onto the Leased Premises during Tenant’s occupancy thereof and not removed prior to the expiration of, or within thirty (30) days after the termination of, this Lease Agreement shall be deemed to have been abandoned by Tenant and shall, without any further act by Tenant, be conclusively deemed to have been conveyed by Tenant to Landlord as by bill of sale without further payment or credit by Landlord to Tenant and may be sold by Landlord or disposed of by Landlord as it sees fit. Any amount realized upon any such sale shall be the property of Landlord. If Landlord has directed Tenant to remove any or all of such property, Tenant shall remain liable for the cost of its removal and for the cost of restoring the Leased Premises after such removal.

21. **Holding Over.** Should Tenant fail to vacate the Leased Premises at the termination hereof, such holding over shall operate and be construed to be a tenancy from month to month only, at a base monthly rental equal to the base monthly rental paid for the last month of the term of this Lease Agreement plus fifty percent (50%) of such amount, plus additional rent as provided herein and subject to the conditions, obligations and provisions of this Lease Agreement. No such holding over or payment or acceptance of rent resulting therefrom shall constitute or be deemed reconfirmation or renewal of this Lease Agreement. Nothing in this Section 21 shall be construed as a consent by Landlord to the possession of the Leased Premises after the expiration or termination of this Lease Agreement.

22. **Expenses and Attorneys’ Fees.** In any litigation arising from the default in the performance of any of the provisions of this Lease Agreement by either Tenant or Landlord, each party shall bear the cost and expense of its own legal fees, disbursements and payment of expert witnesses incurred in connection with such litigation. In the event that either Landlord or Tenant shall be made a party to such litigation commenced by a person other than the parties hereto, then such party performing the act or suffering the omission which is alleged to be the subject of the litigation shall pay all costs, expenses and reasonable attorneys’ fees incurred by the other party which arise from or in connection with such litigation. Notwithstanding the foregoing, this Lease is intended for the exclusive benefit of the parties hereto and shall not be for the benefit of, and shall not create any rights in, or be enforceable by, any other person or entity.
Lease (including, but not limited to, water, gas, electric, cable, telephone and sewer (storm and sanitary)); and

5. Tenant will not be prevented from or restricted in conducting any part of its primary business in or from the Leased Premises or in exercising any of the rights granted with respect to the common areas of the Building because of any zoning ordinance, private restriction, covenant, lease, encumbrance, or agreement entered into by any person having or having had an interest in the Property, the Building or any portion of the Business Park.

The foregoing representations and warranties are a material inducement to Tenant to enter into this Lease and shall survive the expiration and/or earlier termination of the Lease.

34. Consent of Mortgagor. In the event that the Property is or becomes encumbered by a mortgage and such mortgage requires the consent of the Mortgagor to leases of the Property, this Lease Agreement shall not become effective unless and until the Mortgagor has consented to it. Landlord will use its best efforts to obtain the Mortgagor’s consent but shall not be liable in the event that the Mortgagor does not consent. The parties agree that they will modify or amend this Lease Agreement if required by the Mortgagor as a condition to its consent, provided that such modification does not substantially alter the financial terms hereof or the rights or obligations of the parties hereunder. Tenant agrees to cooperate with Landlord in obtaining such consent.

Whenever the consent of Landlord is required hereunder, the consent of the Mortgagor shall also be required if the mortgage so requires. The Mortgagor shall also have such rights of the Landlord (e.g., to access) as may be provided in the mortgage.

35. Termination, Modifications and Amendments. Landlord and Tenant agree not to terminate, materially modify or materially amend this Lease Agreement or any of the terms thereof, or to grant any concessions in connection therewith, either orally or in writing, or to accept a surrender thereof, without the prior written consent of the Landlord and Tenant. Any attempted termination, modification or amendment of this Lease Agreement without such written consent shall be null and void.

36. Non-recourse to Landlord. This Lease Agreement shall be non-recourse to Landlord, and Tenant shall look only to Landlord’s equity in the Leased Premises in the event of any damages or claims which Tenant may assert against Landlord arising out of or in connection with this Lease Agreement.

37. Tenant’s Personal Property; No Lien. Landlord waives any statutory liens, and any rights of distrain, with respect to Tenant’s personal property and trade fixtures (“Personal Property”). This Lease does not grant a contractual lien or any other express or implied security interest to Landlord with respect to Tenant’s Personal Property.
