III. PROJECT SUMMARY

La Fermiere was founded in Marseille, France in 1952. In 2017, they began a USA market study. In 2018, they launched their product on the east coast while using a NY based co-packer. Their USA market success with major retailers has led the company to purchase 20 acres at Genesee Valley Agri Business Park in the town of Batavia and construct a 50,000 square foot food processing facility.

The project is planning on investing $25 million and planning to create 68 FTEs in the first 3 years (and plan to create a total of 135 FTEs by year 5).

The project is seeking assistance from the GCEDC in the form of a property tax abatement ($926,700) using our standard PILOT schedule 60% savings over 10 years, a sales tax abatement ($912,000), and a mortgage tax exemption ($40,000).
