WHEREAS, the Lease Agreement, Leaseback Agreement and PILOT Agreement, and related documents have been negotiated and are presented to this meeting for approval and execution.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE GENESSEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESSEE COUNTY ECONOMIC DEVELOPMENT CENTER AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, reconstructing, expanding and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and
(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a facility or plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company’s Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other facility or plant to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) The Town of Darien Planning Board has issued a Negative Declaration with respect to the Project. The Project involves an unlisted action. The review is uncoordinated. Based upon the review by the Agency of the Negative Declaration, the Short Environmental Assessment Form (the "EAF") and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby ratifies and confirms the Town of Darien Planning Board's findings that (i) the Project will not result in any significant adverse environmental impacts and, therefore, is one which will not cause significant damage to the environment; (ii) the Project will not have a significant effect on the environment; and (iii) no environmental impact statement, need be prepared for this action. This determination constitutes a negative declaration for purposes of SEQR.

Section 2. Subject to the Company executing the Agent Agreement attached hereto as Exhibit C and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, reconstruction, expansion and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, expand and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on December 31, 2010 (unless extended for good cause by the Chief Executive Officer of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered.

Section 3. The Chairman, Vice Chairman, Executive Vice President and/or the Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to negotiate and enter into (A) the Agent Agreement, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (C) the PILOT Agreement; provided, that, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.
Section 4. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 5. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

III. PROJECT SUMMARY

The Genesee County Industrial Development Agency d/b/a Genesee County Economic
Development Center has accepted a financial assistance application from Parc Darien Lake, LLC
who is proposing a water park expansion at Darien Lake Theme Park and Camping Resort. Total
capital investment is estimated at $7,000,000 and will help to retain the 429 employees that they
have currently.

GCEDC’s approval of the project would provide the company with a sales tax exemption of
approximately $383,200 and an estimated property tax exemption of $48,746 over ten years.
Based on an impact analysis done by the GCEDC, for every $1 of tax exemptions provided to the
company over a ten year period, the company pays almost $43 into the local, regional and NY
economy.
