4.0 Audit & Finance Committee – D. Cunningham

4.1 August 2022 Financial Statements - L. Farrell reviewed the August 2022 financial statements with the Board. The following was noted:
- Restricted cash increased. We received $739,000 from OCR related to the Upstate Niagara Cooperative, Inc project in August. This was 50% grant and 50% loan to the company, which was paid to Upstate Niagara Cooperative in September. Funds were held in restricted cash until disbursed.
- On the P&L, there is over $1,000,000 in grant revenue, of which $739,000 was related to Upstate Niagara Cooperative, which was previously discussed, and approximately $298,000 was related to CDBG/Genesee CARES. The corresponding grant expense and professional services fees were recorded related to this.
- There is normal monthly activity.

The financial statements were reviewed in detail by the Committee and are recommended for approval.

4.2 GGLDC Budget Timeline – The 2023 Budget is due to the ABO and OSC by November 1, 2022. L. Farrell reviewed the timeline to emphasize the need for a quorum at the October 27, 2022 Board meeting. We are aware that there are conflicts with the upcoming meetings, so we will be sending out a poll early to ensure that we can obtain quorums or have enough time to reschedule if necessary.

4.3 Commercial Cleaning Services Additional Services Approval – Commercial Cleaning Services of WNY, Inc. (CCS) has provided the GGLDC with a quote for waxing of the floors and cleaning of the tile/grout in the bathrooms. Although this expenditure is not over $5,000, total payments to this company will be over $5,000 when combined with the general cleaning services that the company already provides. The GGLDC approved a contract with Commercial Cleaning Services of WNY, Inc. for general cleaning services not to exceed $14,000 in 2022. These additional services are $1,199.64 (floor waxing) and $495 (tile/grout cleaning). We have requested quotes for these services in the past, but recently the company has been very aggressive and has been offering a lower rate as a current customer. Previously these expenses were well over $2,000.

Fund Commitment: The total expenditures for these services should not exceed $1,700 and will be paid out of the GGLDC, under MedTech Center site maintenance. This expense is lower than what was budgeted for these services for 2022.

This item was recommended for approval by the Committee.
