Resolution No. 04/2006 -

RESOLUTION AUTHORIZING THE AGENCY TO (i) TAKE OR OBTAIN TITLE TO OR A LEASEHOLD INTEREST IN AN APPROXIMATELY NINE (9) ACRE PARCEL OF REAL PROPERTY LOCATED AT THE INTERSECTION OF ROUTE 98 AND WEST SAILE DRIVE IN THE CITY OF BATAVIA, GENESEE COUNTY, NEW YORK; (ii) APPOINT WELLSVILLE CARPET TOWN, INC. WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 565 of the Laws of 1970 of the State of New York, as amended (hereinafter collectively called the "Act"), GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY d/b/a GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER (hereinafter called "Agency") was created with the authority and power to own, lease and sell property for the purpose of, among other things, acquiring, constructing and equipping civic, industrial, manufacturing and commercial facilities as authorized by the Act; and

WHEREAS, by resolution adopted on April 12, 2006, the Agency accepted the application submitted by (and made certain other findings with respect to the Project, as defined below) WELLSVILLE CARPET TOWN, INC. (the "Company") requesting assistance with respect to a certain project (the "Project") consisting of: (i) the acquisition (or retention) by the Agency of fee title to or a leasehold interest in an approximately nine (9) acre parcel of real property located at the intersection of Route 98 and West Saile Drive in the Town of Batavia, Genesee County, New York (the "Land"), (ii) the construction and equipping on the Land of an approximately 100,000 square-foot assembly warehouse and distribution center for the Company's Ashley Homestore retail showrooms (the "Improvements"), and (iii) the acquisition
and installation in and around the Improvements of certain items of equipment and other tangible personal property (the "Equipment," and collectively with the Land and the Improvements, the "Facility"); and

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the financial assistance that the Agency is contemplating with respect to the Project; and

WHEREAS, it is contemplated that the Agency will (i) designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project pursuant to an agent agreement (the "Agent Agreement"), (ii) negotiate and enter into a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement") and payment-in-lieu-of-tax agreement (the "PILOT Agreement") with the Company, (iii) take (or retain) fee title to or a leasehold interest in the Land, the Improvements, Equipment and personal property constituting the Project (once the Lease Agreement, Leaseback Agreement and PILOT Agreement have been negotiated), and (iv) provide financial assistance to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction and equipping of the Project, (b) a partial real property tax abatement through the PILOT Agreement, and (c) if necessary, a mortgage recording tax exemption for the financing related to the Project (collectively, (a) (b) and (c) above are referred to as the "Financial Assistance"); and

WHEREAS, the Financial Assistance to be provided to the Company by the Agency shall not exceed $100,000 until such time as a public hearing has been held and a subsequent resolution is adopted by the Agency; and

WHEREAS, the Company has submitted to the Agency and the Town of Batavia Planning Board (the "Board") a Short Environmental Assessment Form (the "EAF") in compliance with Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") with respect to the Project, a copy of which is attached hereto as Exhibit A.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

Page 2 of 4
(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Genesee County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) Although the Project will result in the removal of an industrial or manufacturing plant of the Company (but not of any other proposed occupant of the Project) from one area of the State of New York (the "State") to another area of the State and result in the abandonment of one or more plants or facilities of the Company (but not of any other proposed occupant of the Project) located within the State, the Agency hereby finds that, based on the Company's application, the Project is reasonably necessary to discourage the Company from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Company in its industry; and

(F) By resolution adopted by the Board, the Board issued a "negative declaration" (as such term is defined under SEQR) in compliance with SEQR. The Project involves an "unlisted action" (as said quoted term is defined under SEQR). The review is "uncoordinated" (as said quoted term is defined under SEQR). Based upon the review by the Agency of the EAF, the aforementioned Board resolution and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby ratifies the findings of the Board.

Section 2. Subject to the Company executing the Agent Agreement attached hereto as Exhibit B and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on December 31, 2006 (unless extended for good cause by the President/Chief Executive Officer of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered.

Section 3. The Chairman, Vice Chairman and/or the President/Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement; provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.
Section 4. The Chairman, Vice Chairman and/or President/Chief Executive Officer of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project and/or finance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and PILOT Agreement, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or President/Chief Executive Officer of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman and/or President/Chief Executive Officer of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. These Resolutions shall take effect immediately upon adoption.

[FORM OF AGENT AGREEMENT]

THIS AGREEMENT, made as of the ____ day of April, 2006, by and between the GENESEE COUNTY INDUSTRIAL DEVELOPMENT AGENCY D/B/A GENESEE COUNTY ECONOMIC DEVELOPMENT CENTER, a public benefit corporation of the State of New York, having its offices at One Mill Street, Batavia, New York 14020-3141 (the "Agency") and WELLSVILLE CARPET TOWN, INC., a corporation duly organized and existing under the laws of the State of New York, with offices at 1429 Olean-Portville Road, Westons Mills, New York 14788 (the "Company").

WITNESSETH:

WHEREAS, the Agency was created by Chapter 565 of the Laws of 1970 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency's assistance with a certain project (the "Project") consisting of: (i) the acquisition (or retention) by the Agency of fee title to or a leasehold interest in an approximately nine (9) acre parcel of real property located at the intersection of Route 98 and West Saile Drive in the Town of Batavia, Genesee County, New York (the "Land"), (ii) the construction and equipping on the Land of an approximately 100,000 square-foot assembly warehouse and distribution center for the Company's Ashley Homestore retail showrooms (the "Improvements"), and (iii) the acquisition and installation in and around the Improvements of certain items of equipment and other tangible personal property (the "Equipment," and collectively with the Land and the Improvements, the "Facility"); and

WHEREAS, by resolution adopted April 27, 2006 (the "Resolution"), the Agency authorized the Company to act as its agent for the purposes of undertaking the Project subject to the Company entering into this Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Scope of Agency. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the undertaking of the Project. The right of the Company to act as agent of the Agency shall expire on December 31, 2006, unless extended as contemplated by the Resolution.

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project:

B-1
(a) The Company is a corporation duly formed and validly existing under the laws of the State of New York (the "State"), has the authority to enter into this Agreement and has duly authorized the execution and delivery of this Agreement.

(b) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, building and environmental laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill it obligations under this Agreement.

(e) The Company covenants that its facilities will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on its facilities except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto its facilities or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on its facilities, (iv) that no underground storage tanks will be located on its facilities, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to its facilities, the Company agrees to pay the expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expenses shall be deemed to be additional rent.

The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective members, directors, officers, agents (except the Company) or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

4. Insurance Required. Effective as of the date hereof and until the Agency consents in writing to a termination, the Company shall maintain or cause to be maintained insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

All insurance shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State.
