

Investment Policy

I. Scope

This Investment Policy ("Policy") applies to all moneys and other financial resources available for deposit and investment by the Genesee Gateway Local Development Corporation ("Corporation") for its own use and account. The Corporation adopted this Policy at a meeting held on June 5, 2025.

II. Investment Objectives

The primary objectives of the Corporation's investment program shall be, in order of priority, to: (1) comply with all applicable provisions of law; (2) safeguard the principal of all deposits and investments; (3) provide sufficient liquidity to ensure that monies invested are available to meet expenditures as they come due; and (4) obtain the maximum rate of return that is consistent with the preceding objectives.

III. Delegation Of Authority

The members of the Corporation hereby delegate their responsibility for the implementation and administration of the Corporation's deposit and investment programs, including the authority to execute any security and custody agreements required by this Policy, to the Treasurer or his designee who shall establish written procedures for the operation of the programs consistent with this Policy. Such procedures shall regulate subordinate employees and include an adequate internal control structure to provide a satisfactory level of accountability based on a database or record incorporating descriptions and amounts of deposits and investments, transaction dates, interest rates, market prices and other information necessary to manage the portfolio and to identify the sources of all funds being invested.

IV. Internal Controls

The Treasurer is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized loss or disposition, that such transactions are executed in accordance with proper authorization and recorded properly and, that such transactions are managed in compliance with applicable laws and regulations.

V. Prudence

The Treasurer, his or her subordinates and any other Corporation employee having responsibility for the deposit or investment of Corporation moneys shall at all times act responsibly as custodian of the public trust. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their affairs not for speculation, but for investment, considering the safety of principal as well as the income to be derived. All Corporation officers and employees involved in the execution of the investment program shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.

VI. Authorized Investments

Except as otherwise may be provided in this Policy, monies not required for immediate expenditure may be otherwise invested in any of the following:

- (1) Special time deposits or certificates of deposits in a bank or trust company located and authorized to do business in the State of New York ("bank");
- (2) Obligations of the United States of America;
- (3) Obligations guaranteed by agencies of the United States of America where the payment of principal and interest is guaranteed by the United States of America;
- (4) Obligations of the State of New York;
- (5) With the approval of the State Comptroller, obligations issued pursuant to Section 24.00 and Section 25.00 of the Local Finance Law by any municipality or district corporation;

- (7) Certificates of participation issued pursuant to General Municipal Law ("GML"), section 109-b.

Investments shall be payable or redeemable at the option of the Corporation within such time as the proceeds shall be needed to meet expenditures for the purpose for which the monies were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable at the option of the Corporation within two years of the date of purchase.

VII. Deposits

All monies collected by any officer or employee of the Corporation shall be deposited in such banks as have been authorized by a resolution of the governing board for that purpose in an amount not to exceed the amount specified in such authorizing resolution. It is the policy of the Corporation that all moneys collected by any officer or employee of the Corporation shall be deposited within two days of receipt and under no circumstance shall deposits occur later than the end of the month in which payment was received.

VIII. Diversification

Although it is the policy of the Corporation to diversify its investment portfolio, the opportunity to diversify among types of investments is very limited because of legal constraints. Subject to these constraints, however, investments and deposits shall be diversified by financial institution, maturity and type of investment, a specific bank or trading partner or a specific maturity.

IX. Authorized Banks and Trading Partners

The Treasurer shall maintain a list of banks and other trading partners approved for investment purposes and if appropriate, establish limits on the amount of investments that may be outstanding with any bank or trading partner at any time. All banks and trading partners with which the Corporation conducts business must be creditworthy as determined by criteria established by the treasurer. All banks with which the Corporation does business shall provide their most recent Consolidated Report of Condition (Call Report) to the treasurer at his or her request. Trading partners not affiliated with a bank shall be recognized primary security dealers as designated by the Federal Reserve Bank of New York. The Treasurer is responsible for periodically evaluating the financial position of banks and trading partners with which the Corporation does business and, based on such evaluations, for revising the list of eligible banks and trading partners as he or she deems appropriate.

The custody agreement shall: (1) specify the manner in which the custodian shall hold securities; (2) require the custodian to hold the securities as agent of, and custodian for, the Corporation and to keep such securities separate and apart from the general assets of the custodian and not permit them to become backing for any other deposits or liabilities of the custodian; (3) require the custodian to confirm in writing the receipt, substitution or release of any securities from the Corporation's custody account; (4) provide for the methodology and frequency of valuation of securities held by the custodian; (5) require the custodian to make appropriate entries o/n its books at all times showing the Corporation's interest in the securities; (6) require physical securities be kept in the custodian's vault and physically segregated from the custodian's property and other property held by the custodian; (7) require the custodian to subordinate any claims it may have against the pledged securities to the Corporation's interest therein; (8) permit the Corporation access to books and records maintained by the custodian with respect to the Corporation's account; and, (9) contain any other provisions deemed necessary and appropriate. A bank shall [not] be permitted to act as custodian of any securities pledged by such bank to secure Corporation deposits.

XI. Purchase and Safekeeping of Investments

The Treasurer shall establish operation procedures for making investments with approved banks and trading partners. In the case of investments in certificates of deposit and special time deposits, the procedures shall require the solicitation of quotations from more than one approved bank and whenever practicable, from banks located within Genesee County. The Treasurer is further authorized to purchase obligations; (1) subject to a repurchase agreement in accordance with the procedures enumerated in paragraph XII of this Policy; or (2) pursuant to an ongoing investment program which has been authorized by the members of the Corporation and which provides investment advisory and custodial services to the Corporation.
