## Deferment of existing revolving loan funds

**Discussion:** Regarding the current situation regarding Covid-19, the GGLDC should consider a deferment of principal and interest on all loans for a six-month period, at which time normal principal and interest payments will resume. The amortization of the loan will be extended by that six-month deferral period.

Fund commitment: Some legal fees to cover a brief amendment to allow for the deferment.

**Board action request:** Approval of a six-month deferral on all principal and interest payments for existing loans.
