

Pembroke's Buffalo East Corridor opens doors for NEXgistics

Project Overview: A leading name in logistics and supply chain solutions, **NEXgistics** needed a permanent and strategic location for their headquarters and high-bay logistics facility with quick access to the Buffalo-Niagara International Airport.

Project Solution: Working with the GCEDC, NEXgistics constructed a state-of-the-art 140,000 sq. ft. facility in Pembroke's industry-ready Interstate 90 corridor to continue their growth.

Company Perspective: The entire GCEDC team, along with Pembroke Supervisor Tom Schneider have opened their arms as well as countless doors for us.

When things got tough, these folks got cracking and I cannot genuinely thank them enough for all they have done and all they continue to do.

- **Steve Northman, President**
