3.1 Nothing at this time

4.0 Audit & Finance Committee – M. Brooks

4.1 November 2025 Financial Statements – L. Farrell reviewed the significant items of the November 2025 financial statements.

- Balances are similar to those at the end of October with mostly normal monthly activity.
- Significant changes in Accounts Payable due to the accrual of the monthly amounts due to the GCEDC for Economic Development Program Support Grant and MedTech Centre property management.
- Most activity on the Income Statement is related to MedTech Centre and is as anticipated against the budget.

The November 2025 Financial Statements were recommended for approval by the Committee.

M. Brooks made a motion to approve the November 2025 Financial Statements as presented; the motion was seconded by P. Battaglia. Roll call resulted as follows:

4.2 MedTech Centre Door Repair – The wall and door separating the garage area from the tenant space were damaged by a prior tenant operating a tow motor. As a result of the damage, the door is not secure. While maintenance staff implemented a short-term solution to secure the door, this measure is temporary and cannot be sustained long term. Repairs were initially deferred due to the uncertainty regarding the needs of a future tenant. With the new tenant now in place, staff has determined that replacing the door in its current configuration is the most appropriate solution.

Staff obtained three quotes for repair and replacement work and recommend contracting with Rochester Door Company.

Rochester Door Company - \$5,238
Thompson Builds - \$12,000
Casey Building Solutions - \$7,600
Fontrick Door – Declined
Robb's Glass - Declined

Fund Commitment: The expense will be paid from MedTech Centre site maintenance funds. General building maintenance and repair funds are budgeted for repairs of this nature. Total cost not to exceed \$5,300.

Board Action Request: Approval of the contract with Rochester Door Company to repair the wall and replace the door and door frame, in an amount not to exceed \$5,300.
