3.0 Report of Management

3.1 Nothing at this time.

4.0 Audit & Finance Committee – M. Brooks

4.1 1st Quarter Financial Statements –

- Reserved Cash increased from the transfer of funds from the GAB, LLC to the GGLDC. The GGLDC is sole owner of the GAB, LLC.
- A \$150,000 payment was received from Edwards Vacuum per the Host Community Investment Agreement that is in place. This is also reported as Grant Revenue on the Profit & Loss statement.
- Otherwise normal monthly activity.

M. Brooks made a motion to approve the 1st Quarter Financial Statements as presented; the motion was seconded by P. Battaglia. Roll call resulted as follows:

M. Brooks -	Yes	J. Tretter -	Absent
D. Cunningham -	Yes	S. Noble-Moag -	Absent
K. Manne -	Yes	C. Yunker -	Yes
G. Torrey -	Yes	P. Zeff -	Yes
P. Battaglia -	Yes		

The item was approved as presented.

4.2 Great Lakes Building Security Contract – The GGLDC maintains a contract with Great Lakes Building Systems for annual fire alarm system services, including fire alarm detection system maintenance (\$2,180), smoke detector cleaning (\$185), 24-hour central station monitoring (\$525), and software support (\$625), for a total annual cost of \$3,515. This compares to \$3,390 in 2025. The contract term is May 1, 2026 through April 30, 2027.

The 2026 budget includes \$4,000 for these services, which is sufficient to cover the contract. As the base contract cost is under \$5,000, it would not typically require Board approval.

During GCC's state fire inspection, it was determined that a CO detector was required in a storage closet housing the gas hot water heater. This issue was addressed immediately at a cost of \$2,550 to ensure compliance.

Subsequently, it was identified that UMMC also has a gas hot water heater and requires installation of a CO detector. The quoted cost for this work is \$3,515. These detectors must be integrated into the existing central fire alarm system and report to the main fire panel; therefore, a standalone residential unit is not an acceptable or compliant option.

The 2026 budget also includes \$1,000 for additional service calls. In addition, \$20,000 remains available in the general maintenance budget that has not yet been allocated and may be used to cover these expenses.

To cover these unanticipated costs, along with any additional maintenance service calls that may arise during the year, it is proposed that the Board approve a not-to-exceed amount of \$13,000 for the fire alarm system maintenance, repairs, and upgrades in 2026.

Board Action Request: Approval of a not-to-exceed amount of \$13,000 for 2026 maintenance contract services, repairs, and system upgrades with Great Lakes Building Systems.

This item was recommended for approval by the Committee.

M. Brooks made a motion to approve a not to exceed amount of \$13,000 for 2026 maintenance contract services, repairs, and system upgrades with Great Lakes Building Securities as presented; the motion was seconded by C. Yunker. Roll call resulted as follows:

M. Brooks -	Yes	J. Tretter -	Absent
D. Cunningham -	Yes	S. Noble-Moag -	Absent
K. Manne -	Yes	C. Yunker -	Yes
G. Torrey -	Yes	P. Zelif -	Yes
P. Battaglia -	Yes		

The item was approved as presented.

4.3 GCC Mowing MOU – The GGLDC had an MOU with Genesee Community College for mowing at the MedTech Centre in place last year. The GGLDC would like to enter into the same MOU for the upcoming year. The cost would not exceed \$350 per mow.

Fund Commitment: Not to exceed \$10,000 to be paid out of the MedTech Centre fund.

Board Action Request: Approval of a MOU with GCC for mowing.

This item was recommended for approval by the Committee.

M. Brooks made a motion to approve a MOU with GCC for mowing services related to the MOU not to exceed \$10,000 as presented; the motion was seconded by P. Battaglia. Roll call resulted as follows:

M. Brooks -	Yes	J. Tretter -	Absent
D. Cunningham -	Yes	S. Noble-Moag -	Absent
K. Manne -	Yes	C. Yunker -	Yes
G. Torrey -	Yes	P. Zelif -	Yes
P. Battaglia -	Yes		

The item was approved as presented.

4.4 ROFR CH4 Biogas for Ag Park – CH4 Biogas would like to have another ROFR for a 20 acre parcel located at the Ag Park for another 12 month period at a cost of \$40,000, non-refundable. Last year’s ROFR was included in the meeting materials for reference.

Fund Commitment: None.

Committee Action Request: Consideration of the ROFR

This item was recommended for approval by the Committee.

M. Brooks made a motion to approve the ROFR with CH4Biogas as presented; the motion was seconded by G. Torrey. Roll call resulted as follows:

M. Brooks -	Yes	J. Tretter -	Absent
D. Cunningham -	Yes	S. Noble-Moag -	Absent
K. Manne -	Yes	C. Yunker -	Yes
G. Torrey -	Yes	P. Zelif -	Yes
P. Battaglia -	Yes		

The item was approved as presented.

4.5 Owner's Rep. Proposal – The current dehumidifier that regulates the air in RRH/Summit pool area needs to be replaced. The GGLDC will be going out for bids on the replacement of the unit. Ciurzynski Consulting, LLC has a proposal to assist the GGLDC in the bid preparation, review, and recommendation. At this time we would wait on the construction monitoring services until there is a contract awarded.

Fund Commitment: \$8,000 to be paid out of the MedTech Operating Funds.

Board Action Request: Approval of the Owner's rep services in the amount of \$8,000.

M. Masse stated that a dehumidifier company had come out earlier that day to look at the unit and they estimated the cost of replacement to be no more than \$100,000 which was significantly less than originally discussed.

P. Battaglia confirmed that legal would still be engaged to verify responsibility of which M. Masse agreed.

This item was recommended for approval by the Committee.

M. Brooks made a motion to approve the proposal with Ciurzynski Consulting, LLC in the amount of \$8,000 as presented subject to legals review of the lease agreement; the motion was seconded by P. Battaglia. Roll call resulted as follows:

NOTE: THESE POLICIES AND PROCEDURES APPLY ONLY TO GOODS AND SERVICES PAID FOR BY THE CORPORATION FOR ITS OWN USE AND ACCOUNT. THEY DO NOT APPLY TO GOODS OR SERVICES (SUCH AS, BUT NOT LIMITED TO, BOND COUNSEL OR CORPORATE COUNSEL) PROCURED IN CONNECTION WITH SALE LEASEBACK OR A BOND ISSUANCE, FOR WHICH GOODS AND SERVICES A COMPANY PAYS.

1. INTRODUCTION

The policies and procedures set forth herein have been developed by the Genesee Gateway Local Development Corporation (the "Corporation") pursuant to New York State General Municipal Law Section 104-b regarding the procurement of Goods and Services not required by law to be procured pursuant to competitive bidding.

These policies and procedures apply only to Goods and Services paid for by the Corporation for its own use and account. They do not apply to Goods or Services (such as, but not limited to, Bond Counsel or construction services) for a project for which the Corporation will not be the project operator or occupant.

2. DECLARATION OF POLICY

Goods and Services which are not required by law to be procured pursuant to competitive bidding must be procured in a manner so as to assure the prudent and economical use of Corporation moneys in the best interest of the Corporation, to facilitate the acquisition of Goods and Services of maximum quality at the lowest possible cost under the circumstances and to guard against favoritism, improvidence, extravagance, fraud and corruption. To further these objectives, the Members of the Genesee Gateway Local Development Corporation have adopted the policies and procedures set forth herein governing all procurement of Goods and Services which are not required to be procured pursuant to competitive bidding.

3. DEFINITIONS

The following terms shall have the following meanings:

1. "Corporation" shall mean the Genesee Gateway Local Development Corporation.
2. "Competitive Quotations" means the procurement of Goods and/or Services, in accordance with the provisions of Section "6" herein.
3. "Contract" shall mean a public work Contract, a purchase Contract, or, generally a Contract for Goods or Services in accordance with the provisions herein.
4. "County" shall mean the County of Genesee, New York.
5. "Goods" shall mean products, materials, supplies, equipment, apparatus and other like items, and the necessary Services related to these items.

6. "Members" shall mean the Board of Directors of the Corporation.
7. "Procurement" or "procure" shall mean the obtaining, through Contract or agreement of Goods and/or Services in accordance with these policies and procedures.
8. "Procurement Officer" shall mean the Treasurer of the Corporation or such other officer, or employee, or individual designated by the Members to carry out the general and specific provisions of the policies and procedures set forth herein.
9. "Professional Services" means for those Services requiring special or technical skills, training, expertise, or licensing, or such Services which involve the use of professional judgment and/or a high degree of creativity, or which involve a relationship of personal trust or professional confidence including, but not limited to, engineering, architectural, medical, financial and legal services.
10. "Services" shall mean, generally, labor and/or construction to be performed.
11. "Sole Source Goods or Services" shall mean Goods or Services for which the Procurement Officer has determined that there is only one possible source from which to procure the desired Goods or Services, including, but not limited to, certain patented Goods or Services, or public utilities; provided, however, the Procurement Officer must certify that such Goods or Services are available from only one source so that no possibility of competition exists, including a showing that, at least (a) the unique benefits of the desired Goods or Services as compared to other such Goods or Services available in the marketplace, (b) no other Goods or Services provide substantially equivalent or similar benefits, and (c) considering the benefits received, the cost of the Goods or Services is reasonable, when compared to conventional methods;
12. "State" shall mean the State of New York.
13. "Vendor" shall mean a supplier or prospective supplier of Goods or Services.

4. DETERMINATION OF PROCUREMENT

The Procurement Officer is hereby designated to be responsible for determining whether a procurement of Goods or Services is subject to Competitive Quotations or is exempt from such procurement, and the Procurement Officer is authorized to determine that the nature of a particular project or class of projects is exempt from the procurement policies described herein. The Corporation hereby finds and determines that Professional Services are, in all cases, exempt from these procurement policies and procedures, as solicitation of alternate proposals and quotations is not in the best interest of the Corporation in situations in which special skills and expertise are required.

5. NO COMPETITIVE BIDDING

As of the date of adoption of these policies and procedures, the Corporation is not subject to the competitive bidding requirements of Section 103 of the General Municipal Law.

6. COMPETITIVE QUOTATIONS

6.1. Written Descriptions Required

Upon a determination by the Procurement Officer that Goods or Services are to be procured through competitive or verbal quotations, the Procurement Officer shall cause to be made a written description for each such Goods or Services to be procured. Such description need not necessarily include detailed specifications but may be generic or in outline form or describe the result sought by the Corporation. Such written description shall contain that information deemed necessary for the procurement of the desired Goods or Services in accordance with the policies of the Corporation, including a statement that the requested bid or quotation price shall include a statement whether cost of delivery is included, a statement that the Corporation reserves the right to reject all bids or quotations, waive minor deviations, consider alternative bids or quotations, negotiate price and terms with those making a bid or quotation (provided that negotiations with all those making a bid or quotation will be on substantially the same basis and regarding substantially the same matters), subject to the same terms and conditions of the written descriptions being sought by the Corporation and a statement regarding security and/or insurance, if required.

6.2. Soliciting Written Competitive Quotations

1. If the cost of the Goods or Services to be procured, based upon the written description prepared for the desired Goods or Services, will require an expenditure of more than \$5,000, but less than \$10,000, the desired Goods or Services shall be procured through Competitive Quotations solicited from not less than two Vendors.
2. If the cost of the Goods or Services to be procured, based upon the written description prepared for the desired Goods or Services, will involve an expenditure of more than \$10,000, the desired Goods or Services shall be procured through Competitive Quotations solicited from not less than three Vendors.
3. If, following reasonable efforts, insufficient numbers of Vendors exist for the solicitation of the requisite number of Competitive Quotations, then the Procurement Officer shall cause to be solicited Competitive Quotations from less than the requisite number of Vendors; provided, however, that the basis and other facts and circumstances or such efforts and/or findings relating to this provision shall be placed in writing.
4. The Procurement Officer shall cause to be made a record of the written description, the solicitation of the Competitive Quotations, the Competitive Quotations received and any other documents or materials prepared or received in connection with the procurement of Goods and Services of the Corporation.
5. Competitive Quotations need not be sealed and need not be opened and read at a stated time.
6. The Procurement Officer need not recommend the procurement of goods and services from the Vendor offering the lowest dollar quotation, but may recommend to the Members determinations of which quotations will fulfill or meet the best interests or needs of the Corporation, and each recommended determinations may be based on such factors as, without limitation, quality, features or options, reliability or reputation of the Vendor, availability of service, delivery time and location of the Vendor (local vis-a-vis non-local, in-state vis-a-vis out-of-state or country); and the Procurement Officer may negotiate terms and price with all Vendors submitting quotations (provided that all such negotiations will be on substantially the same basis and regarding substantially the same matters), and the determination of the Members pursuant to the Procurement Officer's recommendations made in good faith shall be final.

6.3. Exceptions

1. General Exceptions. The following Goods and Services may be procured by the Corporation without soliciting competitive quotations:

- a. Services performed by inmates, or Goods manufactured, in correctional facilities operated by the New York State Department of Correctional Services or in local correctional facilities of this State; provided, however, that the procurement of such Goods and Services shall be in accordance with Section 186 of the Correction Law;
- b. Goods and Services produced or assembled by the blind or other severely handicapped; provided, however, that the procurement of such Goods and Services shall be in accordance with Section 175-B of the State Finance Law;
- c. Goods procured by the County in accordance with subdivision (2) of Section 408-a of the County Law; provided, however that no such procurement shall be made from the County when Competitive Quotations have already been received, unless such procurement may be made upon the same terms, conditions and specifications of a lower price through the County;
- d. Goods in excess of \$500.00 procured by the State through the New York State Office of General Services, subject to rules established by such Office, in accordance with Section 163 of the State Finance Law; provided, however, that no such procurement shall be made from such Office when Competitive Quotations have already been received, unless such procurement may be made upon the same terms, conditions and specifications at a lower price through such Office;
- e. Surplus and/or second hand Goods which are being offered for purchase from the Federal or State governments or any other political subdivision or public benefit corporation within the State of New York.

2. Special Exceptions. Upon a determination that Goods or Services are (i) Professional Services, (ii) Sole Source Goods or Services or (iii) Goods or Services deemed by the Procurement Officer, in his or her sole discretion, not in the best interest of the Corporation to be procured in accordance with the Competitive Quotation requirements set forth herein, the Procurement Officer may procure such Goods or Services in such manner as the Procurement Officer determines to be in the best interest of the Corporation and which otherwise is in accordance with the policies of the Corporation, as set forth in Section "2" herein.

6.4. Authorization

The procurement of goods and services which will involve an expenditure of less than \$5,000 may be approved by the Procurement Officer. Authorization for individual expenditures of \$5,000 and over shall require the formal review and approval of the Corporation's Members.

6.5. Entering Into the Contract

1. Except as provided in Section "6.5.2" herein, upon receipt of the requisite number of Competitive Quotations, the Procurement Officer shall recommend to the Members that the Corporation enter into a Contract, or enter into an agreement, for such Goods or Services to the Vendor that submitted the Competitive Quotation with the lowest dollar offer for such Goods or Services, but subject to the provisions of Section "6.2.6" hereof.
2. If the Procurement Officer shall recommend to the Members that the Corporation enter into a Contract for Goods or Services to a Vendor that did not submit the Competitive Quotation with the lowest dollar offer, the Procurement Officer shall state the reasons such an award furthers the policy set forth in Section "2" herein and in accordance with Section "6.2.6" hereof.
3. Upon the procurement of Goods or Services in accordance with the provisions of Section "6.3" herein, the Procurement Officer shall recommend to the Members that the Corporation award a Contract, or enter into an agreement, for such Goods or Services to the Vendor identified by the Procurement Officer.
4. Upon receipt of the recommendation by the Procurement Officer regarding the entering into a Contract, the Members shall authorize the Procurement Officer to cause to be procured such Goods or Services with the recommended Vendor; provided, however, that the Members reserve the right to reject all bids or quotations, waive minor deviations, consider alternative bids or quotations, subject to the same terms and conditions of the written descriptions being sought by the Corporation.

6.6. Purchases (\$5,000 or less)

1. Notwithstanding the provisions set forth herein, the procurement of Goods or Services involving an expenditure of up to five thousand dollars (\$5,000.00) may be made without seeking Competitive Quotations; provided, however, that any agent of the corporation authorized to make such a procurement shall use his or her best efforts to obtain the lowest cost for such Goods or Services, but taking into consideration the terms of Section "6.2.6" hereof.

6.7. Policy for Corporation's Benefit

These policies and procedures are intended solely for the benefit of the Corporation and are not intended for the economic or other benefit of any particular Vendor making a quotation; and accordingly, no Vendor shall have the right to challenge the determination of the Corporation to enter into Contracts for Goods and Services in accordance with the policies and procedures herein set forth.

Investment Policy

I. Scope

This Investment Policy ("Policy") applies to all moneys and other financial resources available for deposit and investment by the Genesee Gateway Local Development Corporation ("Corporation") for its own use and account. The Corporation adopted this Policy at a meeting held on **June 4, 2026**.

II. Investment Objectives

The primary objectives of the Corporation's investment program shall be, in order of priority, to: (1) comply with all applicable provisions of law; (2) safeguard the principal of all deposits and investments; (3) provide sufficient liquidity to ensure that monies invested are available to meet expenditures as they come due; and (4) obtain the maximum rate of return that is consistent with the preceding objectives.

III. Delegation Of Authority

The members of the Corporation hereby delegate their responsibility for the implementation and administration of the Corporation's deposit and investment programs, including the authority to execute any security and custody agreements required by this Policy, to the Treasurer or his designee who shall establish written procedures for the operation of the programs consistent with this Policy. Such procedures shall regulate subordinate employees and include an adequate internal control structure to provide a satisfactory level of accountability based on a database or record incorporating descriptions and amounts of deposits and investments, transaction dates, interest rates, market prices and other information necessary to manage the portfolio and to identify the sources of all funds being invested.

IV. Internal Controls

The Treasurer is responsible for establishing and maintaining an internal control structure to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized loss or disposition, that such transactions are executed in accordance with proper authorization and recorded properly and, that such transactions are managed in compliance with applicable laws and regulations.

V. Prudence

The Treasurer, his or her subordinates and any other Corporation employee having responsibility for the deposit or investment of Corporation moneys shall at all times act responsibly as custodian of the public trust. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their affairs not for speculation, but for investment, considering the safety of principal as well as the income to be derived. All Corporation officers and employees involved in the execution of the investment program shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.

VI. Authorized Investments

Except as otherwise may be provided in this Policy, monies not required for immediate expenditure may be otherwise invested in any of the following:

- (1) Special time deposits or certificates of deposits in a bank or trust company located and authorized to do business in the State of New York ("bank");
- (2) Obligations of the United States of America;
- (3) Obligations guaranteed by agencies of the United States of America where the payment of principal and interest is guaranteed by the United States of America;
- (4) Obligations of the State of New York;
- (5) With the approval of the State Comptroller, obligations issued pursuant to Section 24.00 and Section 25.00 of the Local Finance Law by any municipality or district corporation;
- (6) Obligations of a public corporation which are made lawful investments by the Corporation pursuant to another provision of law; and
- (7) Certificates of participation issued pursuant to General Municipal Law ("GML"), section 109-b.

Investments shall be payable or redeemable at the option of the Corporation within such time as the proceeds shall be needed to meet expenditures for the purpose for which the monies were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable at the option of the Corporation within two years of the date of purchase.

VII. Deposits

All monies collected by any officer or employee of the Corporation shall be deposited in such banks as have been authorized by a resolution of the governing board for that purpose in an amount not to exceed the amount specified in such authorizing resolution. It is the policy of the Corporation that all moneys collected by any officer or employee of the Corporation shall be deposited within two days of receipt and under no circumstance shall deposits occur later than the end of the month in which payment was received.

VIII. Diversification

Although it is the policy of the Corporation to diversify its investment portfolio, the opportunity to diversify among types of investments is very limited because of legal constraints. Subject to these constraints, however, investments and deposits shall be diversified by financial institution, maturity and type of investment, a specific bank or trading partner or a specific maturity.

IX. Authorized Banks and Trading Partners

The Treasurer shall maintain a list of banks and other trading partners approved for investment purposes and if appropriate, establish limits on the amount of investments that may be outstanding with any bank or trading partner at any time. All banks and trading partners with which the Corporation conducts business must be creditworthy as determined by criteria established by the treasurer. All banks with which the Corporation does business shall provide their most recent Consolidated Report of Condition (Call Report) to the treasurer at his or her request. Trading partners not affiliated with a bank shall be recognized primary security dealers as designated by the Federal Reserve Bank of New York. The Treasurer is responsible for periodically evaluating the financial position of banks and trading partners with which the Corporation does business and, based on such evaluations, for revising the list of eligible banks and trading partners as he or she deems appropriate.

X. Procedures for Securing Deposits, Special Time Deposits and Certificate Of Deposit

(A). Written Security Agreements

Monies of the Corporation shall only be deposited, including certificates of deposit and special time deposits, in a bank with which the Corporation has entered into a written security agreement. Such security agreement shall require the bank to secure all Corporation deposits, in excess of the amount insured by the Federal Deposit Insurance Corporation, in the manner required by the New York State General Municipal Law ("GML"), section 10 and shall: (1) specify which types of eligible securities and other collateral authorized by Appendix "A" of this Policy and GML, section 10 are to be provided by the bank; (2) prescribe the maximum amount of collateral to be provided by the bank at any time; (3) prescribe the manner in which the market value of the collateral shall be determined and require any adjustments to market value as required by GML, section 10; (4)

require the bank to provide additional collateral if the market value falls below the required amount; (5) provide that the collateral is being provided by the bank to secure all Corporation deposits in the bank, together with agreed upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default; (6) grant a security interest to the Corporation in any securities pledged by the bank to secure deposits; (7) set forth the conditions under which the collateral may be sold, presented for payment, substituted or released; (8) define the events of default that will enable the Corporation to exercise its rights against the pledged securities; (9) require that securities pledged to secure deposits and not registered in the name of the Corporation be delivered in a form suitable for transfer or with an assignment in blank to a custodial bank with which the Corporation has entered into a written custodial agreement; (10) provide for the frequency of valuation of collateral, which shall be no less frequently than monthly; (11) require that the agreement be properly authorized by the Board of Directors of the bank and that the bank maintain such agreement as an official record of the bank; and, (12) contain all such other provisions deemed necessary to enable the Corporation to enforce its interest in the collateral in the event of default by the bank.

(B). Custody Agreement

All securities pledged by a bank pursuant to a written security agreement shall be delivered to a bank with which the Corporation has entered into a written custody agreement ("Custodian"). The custody agreement shall: (1) specify the manner in which the custodian shall hold securities; (2) require the custodian to hold the securities as agent of, and custodian for, the Corporation and to keep such securities separate and apart from the general assets of the custodian and not permit them to become backing for any other deposits or liabilities of the custodian; (3) require the custodian to confirm in writing the receipt, substitution or release of any securities from the Corporation's custody account; (4) provide for the methodology and frequency of valuation of securities held by the custodian; (5) require the custodian to make appropriate entries o//n its books at all times showing the Corporation's interest in the securities; (6) require physical securities be kept in the custodian's vault and physically segregated from the custodian's property and other property held by the custodian; (7) require the custodian to subordinate any claims it may have against the pledged securities to the Corporation's interest therein; (8) permit the Corporation access to books and records maintained by the custodian with respect to the Corporation's account; and, (9) contain any other provisions deemed necessary and appropriate. A bank shall [not] be permitted to act as custodian of any securities pledged by such bank to secure Corporation deposits.

XI. Purchase and Safekeeping of Investments

The Treasurer shall establish operation procedures for making investments with approved banks and trading partners. In the case of investments in certificates of deposit and special time deposits, the procedures shall require the solicitation of quotations from more than one approved bank and whenever practicable, from banks located within Genesee County. In the case of investments in obligations, the procedures shall: (1) require the solicitation of quotes from more than one approved trading partner, except in the purchase of governmental securities at their initial auction; (2) require all purchased obligations, unless registered or inscribed in the name of the Corporation, to be purchased through, delivered to, and held in the custody of a bank with which the Corporation has entered into a written custodial agreement which complies with the requirements contained in paragraph (b) of section X of this Policy; (3) ensure that obligations are purchased, sold or presented for redemption or payment by a custodian only accordance with prior written authorization from the officer or employee authorized to make the investment; and, (4) provide that payment of the Corporation's funds shall only be made upon delivery of the purchased obligations to the custodian. The Treasurer is further authorized to purchase obligations; (1) subject to a repurchase agreement in accordance with the procedures enumerated in paragraph XII of this Policy; or (2) pursuant to an ongoing investment program which has been authorized by the members of the Corporation and which provides investment advisory and custodial services to the Corporation.

XII. Procedures for Repurchase Agreements

The Treasurer is authorized to purchase and sell obligations pursuant to repurchase agreements subject to the following restrictions:

- (1) No repurchase transaction shall be entered into with any trading partner until the Corporation has entered into a written master repurchase agreement with the trading partner;
- (2) Repurchase agreements shall be entered into only with trading partners approved by the Treasurer pursuant to Section IX of this Policy and shall be subject to any trading limits established for each trading partner;
- (3) Only obligations of the United States of America and obligations guaranteed by agencies of the United States of America where the payment of principal and interest is guaranteed by the United States of America shall be purchased pursuant to a repurchase agreement;

- (5) The price paid for the securities shall not be in excess of the market value of the securities being purchased plus any accrued interest not reflected in the market price.

Master repurchase agreements between the Corporation and its trading partners shall: (1) contain procedures which ensure that the Corporation obtains a perfected security interest in the purchased securities; (2) defined events of default; (3) prohibit the trading partner from substituting securities for the purchased securities during the term of the repurchase agreement; (4) limit the term of a specific repurchase transaction to a period of not more than thirty days; (5) contain appropriate margin requirements and procedures for timely correction of margin deficiencies or excesses; (6) provide that the Corporation shall not make payment for purchased securities purchased until received by the custodian; (7) require that the terms of all specific repurchase transactions, including rate, price and a description of the specific securities being purchased, be confirmed in writing; (8) provide that all specific repurchase transactions shall be subject to the terms of the master repurchase agreement; and, (9) contain such other provisions as are deemed necessary and appropriate.
